At the Toronto Recruiting Depot yespassed the medical officers and were attested. This large number is accounthold their recruits for several days and then have them examined and attested in groups. Yesterday they had 30 put

their armories.

Lieut. Edgar Stone of the 109th has left to join the royal navy motor boat service as a sub.-lieutenant. Lieut. Willis, who was awarded the Military Cross, has been wounded for the third time, and another young officer who went overseas from this regiment, J. Harvey Douglas, has been reported missing. He went overseas with the 35th Battalion.

ing. He went overseas with the 35th Battalion.

Paymaster of Buffs.

Word was received at Exhibition camp that Gen. Logie had approved and forwarded the name of E. H. Cooper, a brother of Lieut.-Col. Cooper of the 198th Battalion, to Ottawa, with the recommendation that he be appointed paymaster, with the rank of captain, with his brother's battalion, the 198th.

E. H. Cooper graduated with first-class honors in political science at the University of Toronto in 1900. For several years he was in Montreal as secretary of the Canadian Manufacturers' Association. During the past eight years he has been the managing director of the Auto Strop Safety Razor Co., Ltd., and has been in England and on the continent for several years. In England he enlisted under the Derby scheme and has now returned to take the position of paymaster in the 198th.

Pleased With Marching.

Lieut. Col. J. S. Campbell, officer in charge of the training of overseas troops in No. 2 military division, yesterday expressed himself as very greatly pleased with the showing made in the marching competition by the troops on Saturday afternoon. When the brief training the men had received was taken into consideration he thought their appearance was really remarkable.

Lieut. Col. Windeyer was at Niagars. Camp yesterday to observe the military review that had to be curtailed on account of the rain.

From information received yesterday, it is believed that the three battalions now at Exhibition Camp, the 186th Q. O.R., 198th Buffs and the 180th Sportsmens, will likely be moved to Camp Borden within the next ten days. Instructions have been received from Niagara to have advance parties ready to go forward any time after Friday. The three battalions from the Exhibition Camp will be the first to go to the northern camp, then the various county battalions mobilizing thruout the division, and finally the units from Niagara. A redistribution of these units now selected for Camp Borden will have to be made in all probability.

Camp Borden has thirteen brigade

these units now selecter; for Camp Borden will have to be made in all probability.

Camp Borden has thirteen brigade areas and each brigade will be commanded by a brigadier with the rank of lieutenant-colonel. Gen. Logie in concert with Ottawa, it is understood, is selecting a staff of brigadiers for the brigade training. Several lieutenant-colonels whose batter with Ottawa, it is understood, is selecting a staff of brigadiers for the brigade training. Several lieutenant-colonels whose batter with other with other with the posts of brigadiers and several lieutenant-colonels whose battalions have been broken up in England will be recalled home. Col. S. H. Belson of the 37th, now in England, are mentioned as possible brigadiers.

Battalions Broken Up.

A letter received from a senior officer of the \$37d, now in England, told of the breaking up of that battalion, an indication of what may happen to battalions now going overseas. Various sections of a battalion have been sent to fill vacancies in England and at the various bases. The 76th Battalion was in quarantine, so drafts have not been taken from that battalion, but the \$1st, \$3rd and 33rd have been reduced to almost half strength by various drafts.

The citizens' committee have commenced a record-breaking campaign for this week, and have already held several energetic meetings. The 67th (University of Toronto) Battery, C.F.A., C.E.F., under the command of Lieut, W. J. T. Wright, recently sent a draft of fifty men overseas. This battery is composed almost entirely of university men, but others are being accepted daily. The battery's orderly room is in the C. and M. Building of the University of Toronto on College street at the head of McCaul street.

Recruiting will be discussed by all the commanding officers of the Toronto units.

Major Bennett of Light Infantry Tells How Canadians Made Name.

Major Bennett, who went over with the 4th Battalion two years ago, and who was wounded at the battle of Langemark, gave an interesting account Langemark, gave an interesting account of his experiences at a meeting conducted by the 201st Battailion at Yonge and Temperance streets last night. He told of the heavy fighting and the way the Canadian troops made a name for themselves by gritting their teeth and plunging into what they knew might mean death for every one of them. Pte. Gibhard, who was shot thru the head, said that the only reason for his being alive today was due to the wonderful surgery which the war has produced. Maj. Heavett is now senior major of the 201st. Newton Wylle, secretary of the committee of one hundred, was introduced to the crowd as having for the second time been turned down by the recruiting authorities. He appealed to every man to at least go tip to the armories and find out if he were physically fit.

As it was, with only three companies in the contest, the 216th lacked only two points of tying with the winners, and when their recruits are gathered from the outside recruiting points this battalion will be one to be beaten for the first place in future contests of the

Eyes Give You Trouble.

Eyes Give You Trouble.

Thousands of people suffer from eye troubles because they do not know what to do. They know some good home remedy for every other minor ailment, but none for their eye troubles. They neglect their eyes, because the trouble is not sufficient to drive them to an eye specialist, who would, anyway, charge them a heavy fee. As a last resort they go to an optician or to the five and ten-cent store, and oftentimes get glasses that they do not need, or which, after being used a few months, do their eyes more injury than good.

Here is a simple prescription that everyone should use: 5 grains Bon-Opto dissolved in ¼-glass of water. Use three or four times a day to bathe the eyes. This prescription and the simple Bon-Opto system keeps the eyes clean, sharpens the vision and quickly overcomes inflammation and irritation; weak, watery, overworked, tired eyes and other similar troubles are greatly benefited, and oftentimes cured by its use. Many reports show that wearers of glasses have discarded them after a few weeks' use.

It is good for the eyes, and contains no ingredient which would indure the most sensitive eyes of an infant or the aged. T. Eaton Co., Ltd., G. Tambiyn, or any drugglist can fill this prescription, or the Valmas Drug Co. of Toronto will fill it for you by mail. Try it, and know for once what real eye comfort is.

A prominent City Physician to whom the sbove sride was submitted, said: "Bon-Opto is a very remarkable remedy, its constituent ingredients are well known to eminent eye specialists and widely prescribed by them, it can be obtained from any good druggist and is one of the very few preparations, I feel should be kept or band for regular use in almost every family."

BLOOD POISONING KILLS EMPLOYE OF MORGUE

Wm. Joslin Pricked Finger With Needle and Died in Western Hospital.

His finger pricked by a needle a few days ago while following his employment at the city morgue, William Joslin, 51 years of age, of 204 De Grassi street, contracted blood poison and died in the Western Hospital Sun-

day, June 18. The late Mr. Joslin was well known, having been an employe of the city health department at the morgue for nearly eight years, and his sudden death came as a great shock to his many friends. He is survived by a widow and daughter.

The funeral will take place from his late residence, Wednesday, June 21.

AN ATTRACTIVE FOLDER SHOWS BARRACKS LIFE

A very attractive folder has been issued by the Canadian Kodak Company illustrating by splendid photo-graphic reproductions the life of the men of the 127th Battalion, Lieut.-Col F. F. Clarke, O.C., while quartered at Mount Dennis in the Canadian Kodak building. Especially good are the pic-tures of the kitchen, a section of the messroom and an aisle of the men's sleeping quarters.

The folder is neatly got up, and besides being a spendid sample of "kodakery" is a handsome souvenir of the barrack life in this building of

WILL CALL WITNESSES IN KELLY CASE TODAY

BY BRITISH SUBMARINE Proceedings Yesterday Afternoon Were Not of Sensational Order.

WINNIPEG, June 19.—No witnesses were called during the first day of the trial of Thomas Kelly, parliament buildings contractor. The brief morning session saw the swearing of the jury and in the afternoon R. W. Craig, K.C., of counsel for the crown, occoupled over two hours with the opening address the jury. Mr. Craig termed this address "unavoidably a rather dry presentation of an intricate series of facts." He concluded just before adjournment and Tuesday morning the calling of witnesses will commence. It was said that the trial will last one week or ten days and on the request of J. B. Coyne, K.C. for the crown, the jury will be kept in charge at night and between sessions.
