POLISH ARMY CONTINUES ITS VICTORIOUS SWEEP

Bold Murder by Sinn Feiners of a Prominent Police Official

VESSEL WENT DOWN FIVE MINUTES AFTER COLLISION

Survivors of Sunk Freighter
Think Majority Were Killed
by Explosion.

SEARCH FOR BODIES

Sault Ste. Marie, Mich., Aug. 22.—
Search was continued by life-savers
today for bodies of 29 persons who
are missing, following the sinking in
Lake Superior Friday night of the
freighter Superior City, which went
down after colliding with the steamer
William T. King. Late today no word
had come from the searching parties
of Whitefish Point, where the accident
occurred.

But little wreckage from the Superior
City has been found. One of the
missing persons is a woman, wife of
the second engineer of the lost vessel.
The remaining 28 were members of the
crew.

The four survivors who were brought
here after being picked up from the
wreckage had all but abandoned hope
for the rescue of the others, owing to
the short time that elapsed between
the collision and an explosion in the
boiler-room, which completely wrecked
the stern of the steel ore carrier.

The survivors, Capt. Edward Sawyers
of Almonte, Mich.; Walter Rich-
ter, Lorain, Ohio, a boatswain; Cal
Lehse, Chicago, second mate, and
Peter Jacobson, Cleveland, a wheel-
man, left here last night for their
homes, after receiving treatment for
injuries sustained when they were
thrown with the wreckage in Lake
Superior.

Jacobson, who was at the wheel
(Continued on Page 2, Column 1).

MAGICAL "CURES" EXCITE TIPPERARY

Sick and Maimed Taken to
House Where Holy Statues
Are Reported Bleeding.

Belfast, Ireland, Aug. 22.—(Special.)
—Intense excitement prevails in Tipperary,
County Tipperary, the scene of
the recent murder of Police Inspect-
or Wilson, over what are reported
to be weird manifestations of healing.
The Thurstle correspondent of a local
newspaper sends details of what he
describes as "an extraordinary miracle,"
which he says began Friday
evening and still continues.

"About 6 p.m.," he says, "all the
statues and holy pictures in the house
of Thomas Divan, a news agent, be-
gan to bleed. Crowds of awed people
witnessed the strange manifestation
and wonderful cures are being effected.

"A crippled soldier, who was carried
down to Divan's house on crutches,
with a leg which had been badly shat-
tered by shrapnel in France, walked
back from the house with full use of
his limbs. His wife, who had been a
victim in a hospital. A little girl a victim
of consumption, was borne into the
house, and she, too, was cured.

"The people are flocking to Temple-
more to see the cures, many of which
is being discussed through the Tipperary."

MUNITIONS HELD UP TILL TROOPS SENT

French Government Dis-
pleased With League Com-
missioner at Dantzig.

Paris, Aug. 22.—Sir Reginald T.
Tower, high commissioner for the
league of nations, at Dantzig, has re-
quested the allied nations to supply
him with 20,000 troops before he will
feel justified in permitting the unloading
of munitions intended for Poland
now being held up at Dantzig, accord-
ing to the ministry of foreign affairs.
It is the belief of the French govern-
ment that an additional five thou-
sand troops will be the maximum re-
quired by Sir Reginald, as there are
already 2,000 there, and the extreme-
ists among the population are not
numerous.

The foreign office today announced
the arrival of the gunboat *Accra* at
Dantzig, where she will arrange for
the unloading of munitions being tak-
en there by the French cruiser *Gueydon*.

The French government considers
that Sir Reginald is acting entirely
contrary to the spirit and letter of the
League of Nations, which, it is de-
clared, specifically gives to Poland free
use of the port of Dantzig. The govern-
ment takes the attitude that the ac-
tion of the Danzig council in voting in
favor of neutrality, is without effect,
as the council has no such powers.

POLICE OFFICIAL SHOT BEFORE MOTHER'S EYES AS SINN FEIN REVENGE

Inspector Against Whom Verdict of Murder Was Returned by Coroner's Jury in Connection With Mayor MacCurran's Assassination Murdered in Protestant Centre by Three Men Armed With Rifles.

Belfast, Aug. 22.—Police Inspector Swanzey, against whom a verdict of wilful murder was given by a coroner's jury in connection with the assassination of Mayor MacCurran in March, was shot dead today while proceeding to his home from church at Lisburn, to which town he had been transferred after the finding of the coroner's jury. The killing of Inspector Swanzey was among the most daring murders of a long series. The congregations at Lisburn, which were mostly sure, were leaving all the Protestant churches at the time and converging on the scene of the shooting. The officer had been with his mother and sister in attendance upon the services at Christ Church and had reached the corner of Railway street, where he resided.

Here three men, armed with rifles, confronted Swanzey and fired on him in the presence of his horrified family. Swanzey fell to make doubly sure, the assassins discharged their weapons again into his body.

Turning, the assassins ran along Castle street. The congregation was just emerging from Lisburn Cathedral, Captain Woods, commandant of the Lisburn branch of the Ulster Volunteers, made a dash for the assassins, also only armed with a stick. The assassins fired on Woods, a bullet struck in his hand. He was not injured.

The murderers then fired at other persons who had flocked in the pursuit, but without effect, and jumped into a waiting taxicab and drove off toward Lisburn.

WOMAN IS KILLED ON TORONTO STREET

Wife of Ex-Policeman is Knocked Down by Taxi—Driver Not Held.

Mrs. Munn, wife of ex-Constable Neal Munn of the Toronto police force, was so badly injured when struck down by a taxicab Saturday night that she died Sunday afternoon in St. Michael's Hospital.

Mrs. Munn was crossing the Queen street bridge over the Don River at 11:30 Saturday night. There was a heavy downpour of rain at the time and Mrs. Munn was holding her umbrella in front of her. She crossed behind a motor car in front of a taxicab and was run down. The wheels of the cab passed over her body, forcing her hip and crushing her skull. She was rushed to St. Michael's Hospital, and died at four o'clock yesterday afternoon.

John McLean, 11 Marlboro avenue, driver of the taxi, reported to the police of East Dundas station and was not held.

Mrs. Munn had been living at 31 Elmira avenue. Her husband, up until last spring, had been in the police operating room at Court street station. He had been laid up for several months ago for Edmonton to take up land. Mrs. Munn remained here until her husband got settled. The taxi driver had no license and did not inform him of the accident. The body was removed to the morgue and an inquest will be held.

NO FROST DAMAGE IN N. SASKATCHEWAN

Regina, Sask., Aug. 22.—From three degrees below freezing to 105 in the province, County Tipperary, the scene of the recent murder of Police Inspector Wilson, over what are reported to be weird manifestations of healing. The Thurstle correspondent of a local newspaper sends details of what he describes as "an extraordinary miracle," which he says began Friday evening and still continues.

"About 6 p.m.," he says, "all the statues and holy pictures in the house of Thomas Divan, a news agent, began to bleed. Crowds of awed people witnessed the strange manifestation and wonderful cures are being effected.

"A crippled soldier, who was carried down to Divan's house on crutches, with a leg which had been badly shat-tered by shrapnel in France, walked back from the house with full use of his limbs. His wife, who had been a victim in a hospital. A little girl a victim of consumption, was borne into the house, and she, too, was cured.

"The people are flocking to Templemore to see the cures, many of which is being discussed through the Tipperary."

ARCHBISHOP MANNIX WILL VISIT ROME

British Government Hopes
Vatican Will Use Influence
Towards Moderation.

Rome, Aug. 22.—The Irish College here has been notified the Archbishop Mannix, Australia, will be its guest during the prelate's visit to Rome next October. It is expected that Monseignor John Hagan, rector of the college who is now in Ireland, will come to Rome with the archbishop and formally welcome him to the college. It is authoritatively said here that the archbishop's visit will not be in order to prevent Archbishop Mannix visiting Rome, but, on the contrary, has used his influence with the Vatican to hasten his arrival here, hoping that his visit to the Pope may result in moderating his aggressive anti-British sentiments.

CANADIANS OUSTED FROM MONTENEGRO

Serbs Order Chief of War Hospital Fund Commission to Quit Country.

London, Aug. 22.—The Montenegro foreign office states that the Serbian authorities in occupation of the country have ordered Colonel Burnham, chief of the Canadian War Hospital Fund Commission, with four lady assistants, to leave Montenegro immediately.

Colonel Burnham of Winnipeg, according to the same authority, states that this unhappy country is daily going from bad to worse. The Serbs have tried every dirty trick on the inhabitants, who have nobody to help them.

Colonel Burnham was threatened by the district governor, and finally ordered the mission to quit the country.

HUNGRY STRIKERS MAY BE RELEASED TO AVERT CRISIS

General Strike in Ireland
Threatened if Lord Mayor of Cork Dies.

BOYCOTT EXTENDED

Dublin, Aug. 22.—The physician of the Cork jail has recommended the release of the men under arrest there who are on a hunger strike.

It is reported here to be extremely probable that Lord Mayor MacSwiney, Cork, who is in Brixton Jail, London, on a hunger strike, is to be released. Should he be allowed to die in prison, Ireland is threatened with a general strike, unprecedented demonstrations and further extensions of the boycott. The plans for all these have been arranged.

The question of a general strike is in the hands of the Labor party. The boycott even now is being extended beyond the police and military to the civil employees of the British government. The latest victims of the boycott are members of the late John Redmond's family, owing to the fact that Martin Green, husband of Mr. Redmond's daughter, holds a position as chairman of the Irish prisons committee.

Hotels catering to the tourist trade are refusing letters demanding that they refuse to shelter "enemies" of Ireland. The proprietress of the famous Wooden Bridge Hotel in the Wicklow Mountains received such a letter, but refused to recognize the demand. (Continued on Page 2, Column 3.)

RETURNS TO HALIFAX WITH FIRE IN BUNKER

Halifax, N.S., Aug. 22.—(Canadian Press.)—The United States shipping line, *Wisconsin*, which left here on Tuesday afternoon for Sweden, returned to port today with fire in the starboard bunker. The steamer was 120 miles from Halifax when the fire was discovered. Captain Melrose at once decided to return to port. Part of the cargo will be discharged so as to ascertain the damage caused by the fire.

THOROLD POLICE RELEASE SUSPECT

Free Man Arrested in Brantford—Receive Threatening Letters.

St. Catharines, Ont., Aug. 22.—(Canadian Press.)—Paddy Gaghen, the tramp who was taken into custody at Brantford last Wednesday for involvement in the murder of Margaret Boucock, the Thorold child, and was brought again to St. Catharines, has been released to a friend who he knows nothing of the crime. Investigation has proven that he asked two women at Brantford for a drink of water, and, while taking it, stated that he knew the father of the murdered girl.

The provincial investigation of the Thorold riots of last Monday night will be continued tomorrow. The members of the investigating board have received some threatening anonymous letters. The St. Catharines Standard, addresses to "The Editor of The Standard and the Editor of Thorold," reading as follows: "Kindly be warning to this. If the investigation leads to any Thorold man's arrest, look out, for there is a man arrested in Thorold there will be a worse case than McNeal's. I have heard people speak."

FIRST RADIO MESSAGE HEARD AROUND WORLD

Washington, Aug. 22.—The first wireless message "to be heard around the world" was received yesterday by Secretary Daniels from the Lafayette radio station at Bordeaux, France.

The message was the first to be sent from the Lafayette station, the largest in the world which has just been completed by the United States navy and is undergoing official test before being turned over to the French government for operation. The message received by Secretary Daniels followed: "This is the first wireless message to be heard around the world and makes a milestone on the road of scientific achievement."

WARM AGAIN IN WEST; CROP OUTLOOK BRIGHT

Winnipeg, Aug. 22.—The weather in the west has turned warmer again and harvesting will probably be general in the three western provinces during the week, so far as cutting is concerned. There were light frosts in some parts in the latter portion of the past week, and it is reported that the temperature went below freezing in central Saskatchewan, but there has been no damage done to the crops in Alberta. The outlook is brighter of the harvest almost everywhere again.

Harvesting Delayed.

We're back again to cool, even cold, weather; and to rain. And the soaking of Saturday night will not leave the soaked grain in many fields of Ontario without at least two days of warmth and bright sunshine. But not all the counties were visited by the rain storm. A still greater drawback is the absence of the necessary help to team in the sheaves.

POLES ARE SUCCESSFUL ON THE ENTIRE FRONT EXCEPT ON THE RIGHT

Encircling Movement by Reds Against Lemberg Repelled at Several Points—Drive Thru Northwest—Boisheviki Have Suffered Tremendous Losses—Report of Minsk Conference.

Warsaw, Aug. 22.—A war office communication issued today reports Polish successes on all parts of the battlefield, excepting on the extreme right, where General Budenny's detachments have crossed the Dniester River and Red advance guards have reached the Stryk on the railroad south of Lemberg. Fighting is reported northeast and east of Lemberg. Budenny is using cavalry and infantry in an encircling movement against Lemberg. At several points the Reds have been repelled.

On the northwest front, according to the communication, the Reds who designed the capture of Thorn and the cutting off of Warsaw and Danzig are in full retreat. The Boisheviki are reported to have suffered tremendous losses and to be endeavoring to escape along the Prussian border in the face of the Polish drive, which is clearing Poland of Reds all thru the northwest. More than 10,000 prisoners were captured on this front Friday.

Advances northeast of Warsaw are announced. The Poles have reached Ostrov and Bransk. At Mielezyrzec 400 Cosaks surrendered.

The Boisheviki have attempted to retake Brest-Litovsk, but were repulsed. In the region of Olenka where the Poles pushed the Reds across the Bug, the communications said that on the Boisheviki side was a Jewish volunteer detachment from Wilno. The Poles have captured Hrubieszow, which was taken after an hour's hand-to-hand fighting in the streets of the village. The Poles are still holding Hrubieszow notwithstanding the efforts of the Boisheviki to recapture it.

ADANA GARRISON DEFEATS BESIEGERS

Paris, Aug. 22.—The French garrison at Adana, Asia Minor, which had been besieged for two months made a sally Friday night, according to reports from the office, has now virtually been relieved.

Eighteen United States relief workers were with the garrison. The foreign office says that the besiegers badly defeated the besiegiers and that the situation no longer is critical.

ARREST ITALIAN IN TORONTO ON CHARGE OF CHICAGO MURDER

Declines to Discuss the Case, But Agrees to Waive Extradition.

WAS FOUND ASLEEP

Ralph Gallucci, alias Patrick Fontana, an Italian, 27 years of age, was arrested Saturday night in a room at West Richmond street, by Detectives Levitt and Mitchell on a charge of murder. Gallucci is alleged to be an Italian named Yanardo, on April 13, 1919.

Sergeant of Detectives Murray received information Saturday afternoon that Gallucci was wanted for the shooting of a man in Chicago, and that he was living on Richmond street. Levitt and Mitchell were sent to the house, and entering, they walked into the front room and found Gallucci lying asleep in bed. When Gallucci awakened he found the detectives fastening the handcuffs around his wrists.

Gallucci was taken to headquarters, and when questioned, admitted that he had lived in Chicago. The Chicago police were telegraphed, and word was received at headquarters yesterday to hold Gallucci on a charge of murder. The prisoner refused to discuss the case, but declared he would waive extradition and return to Chicago for trial.

Jealousy Alleged Motive.

According to information received in Toronto, Gallucci and his wife lived at 1224 Gilpin place, Chicago. On the local police file is a record of a quarrel between Gallucci and his wife who were attending a party in a house at No. 1324 Gilpin place. Gallucci is said to have been jealous of his wife, and shot Yanardo, a bullet lodging in his stomach, causing instant death.

Gallucci and his wife fled to Toronto and lived for some time at Port Credit. Three months ago they rented a room at the Richmond street house. Gallucci was recently released from the hospital, where he underwent an operation for appendicitis.

He will be held in custody pending the arrival of a detective from Chicago to take him back for trial.

FIGHTING NEAR SCUTARI IS OFFICIALLY DENIED

Montreal, Aug. 22.—Official denial from Belgrade, via Washington was received today by Capt. Seferowich, Serbian consul in this city, in regard to a despatch from Rome, dated Saturday, to the effect that fighting was proceeding north of Scutari, Albania, between Serbs and Albanians, in which the former lost heavily.

The Serbian legation in Washington has been informed from Belgrade that the press report is incorrect.

TO PAY BIG FINE FOR PROFITEERING

Syracuse, N. Y., Aug. 22.—(Special.)—Found guilty of profiteering in fifteen specific instances, the Allen-Schmidt Company, a department store of Utica, was fined \$24,000 in federal court at Canton yesterday by Judge Frank C. Cooper. Karl Schmidt, part owner, was jointly fined \$1,000 with the corporation on a sixteenth count, charging conspiracy to increase prices. He was found guilty on nine of twelve counts, but the court dismissed eight for reasonable doubt.

An appeal will be taken by the convicted concern, which posted a bond to cover the fine. In distributing the penalty the court fined \$2,000 on each of eleven counts of specific sales of clothing, and \$2,000 on three others, displacing one count.

This is the second Utica department store convicted of profiteering. The John A. Roberts Company paid a fine of \$55,000. This case is still under appeal.

Britain Will Recognize Independence of Egypt

London, Monday, Aug. 22.—The London Times says this morning it understands that Great Britain will recognize the independence of Egypt.

The decision, according to The London Times, resulted from recent conversations here between the Viscount Milner Mission, which recently visited Egypt, and an Egyptian delegation, headed by Saïd Zaglout Pasha, former minister of justice.

Among the fundamental points of the agreement are: "Egypt will recognize Great Britain's privileged position in the valley of the Nile, and agree in case of war to afford every facility or access to Egyptian territory; Great Britain will maintain a garrison in Egypt; the canal zone, Egypt regains control of foreign relations, subject to her not making treaties contrary to British policy, and will have the right to maintain diplomatic representatives abroad. Capitulations will be abolished."

DRURY EXPLAINS U. F. O. ATTITUDE TOWARD RADICALS

Says Government's Course Fair to the Hydro—Halcrow Differs.

SPEAK IN HAMILTON

Hamilton, Aug. 22.—(Special.)—The Hydro tidal project constituted the chief topic of the speakers at Saturday's picnic at Wabasso Park, of the Central Ontario branches of the Independent Labor party. Both Premier Drury and Robert Halcrow, M.L.A. from Hamilton, discussed it at length, and while stressing their adherence to Hydro power development, admitted a difference of opinion in regard to this issue. They were emphatic, however, in stating that the disagreement in no manner endangered the strength of the Farmer-Labor coalition.

Premier's Address.

Premier Drury stated that the propaganda declaring his government to be opposed to Hydro development was absolutely incorrect, and that it was because of its pledge to support the Hydro that an investigation of the radial scheme was demanded. If the radials should be constructed and proved a failure, he declared, he would be a serious reflection upon the Hydro. He was emphatic in declaring that the question was not whether or not they would operate profitably, but merely whether or not they would attract sufficient traffic to justify their existence. He concluded his address by pointing out that his government stood not for special concessions to either farmer or laborer, but for an essentially fair deal to all producing classes and individuals.

Halcrow Differs.

Robert Halcrow, M.L.A., for Hamilton, differed strongly with the premier. (Continued on Page 7, Column 2.)

COMMUNIST RISINGS MERELY SPORADIC

German Government Can Find No Connection With General Plot.

Berlin, Aug. 22.—The diminutive communist outbreaks recently reported in several sections of mid-southwestern Germany have been suppressed or have vanished as mysteriously as they originated. The Berlin government has not yet been able to establish their origin or establish any connection between them and a possible far-flung German communist plot, inspired by Bolshevik successes along Germany's east front.

The Prussian Socialists, organ, completely disowns the elements responsible for the communist revolts at Valtbert, Cothen and other points, and refers to them as being "spontaneous" and organized lot of mad adventurers and sensation-seeking literateurs," and severely censures communist leaders who tolerate such outbreaks, and also charges that they serve the ends of the German reactionaries and incidentally strengthen French military ambitions in that area. A needed pretext to invade the Ruhr region.

Cochten soviet rule was short lived. His chief instigator, a school teacher named Berg, who came from Saarbrücken six months ago, was arrested by the few men who staged it, promptly fled when they learned that the expected communist plots had failed to materialize in Leipzig, Halle, Magdeburg and other places.

In the Ruhr district the sporadic communist outbreaks lasted barely 24 hours. Communist uprisings at Elberfeld, Barmen and Remscheid were promptly suppressed. At none of these places did the Independent Socialists identify themselves with the Red rioters.

SARNIA ON TRAIL OF RUM-RUNNERS

Arrest Four on This Charge—Fifteen B.O.T.A. Cases in Court Today.

Sarnia, Aug. 22.—Operations of the new special officers sent here by the provincial government to enforce the Ontario temperance act in this part of the province, which have been going on since the start of the liquor trade, which has been so strong here for several months, were responsible for four alleged rum-runners being gathered in by the police last night. Saturday night seemed to be the ideal time for the bootlegging, and the four who are interrupted in their venture will stand up in the police court tomorrow.

The court will be the first real, large, whisky court held in Sarnia. A large number of officers are gathered here, and with the number of officers will gather in tonight the list will run as high as 15.
