

Contributors are requested to fix their prices, subject to the approval of the Executive Committee. In cases when the Committee consider the price of any article lower than the market rate, it will be raised without consulting the contributor, who will receive the benefit of the increased valuation.

If an article is valued at more than the market rate, the contributor will be notified of the fact before it is put upon exhibition. Articles upon which a price has not been plainly and legibly marked will be marked by the Executive Committee.

Money received from the sale of articles will be forwarded to the contributor, with a deduction of 10 per cent. and postages, which will cover the charges of the Society. It is not necessary that a contributor should be a member of, or subscriber to, the funds of the Society.

To each article contributed for sale will be securely attached a numbered ticket, upon the reverse of which the price of the article will be plainly marked. The number of the Ticket first issued to a contributor will always represent the work of said contributor upon the books of the Society, and should be added to the name and address in all business letters addressed to the Society.

Letters can be addressed to
