DURING the year 1887 the work in the School has been carried on earnestly, and, we hope, will be attended with good results. The attendance has increased somewhat, and we trust will continue to grow more rapidly during the incoming year, on account of the excellent accommodation now provided in the new Church.

At times we feel sorely the need of Teachers, and would like to have the parents come out more with their children and encourage at least by their presence, if not otherwise, those more immediately connected with this branch of the Church work.

No new books have been added to the Library during the year, and an addition is needed now. The papers distributed to the pupils were "British Workman," "S. S. Presbyterian," "Northern Messenger" and "Sunbeam."

P. STRUTHERS,
Superintendent.
