BOYS' SUITS AT \$4.00 TO \$12.00

H. N. DeMILLE & CO.
199 to 201 Union St. Opera House Block

The Famous Hinge Door "Hoosier Beauty"

Every Woman Has the Right To a HOOSIER

Every woman is entitled to every work-saving device that will make kitchen work easier. Going without a Hoosier—saving the very moderate price by taking miles of unnecessary steps, every meal you get and every meal you clean up after, is poor economy.

Do you realize that you can have a Hoosier in your kitchen immediately by paying only \$1.00—
And complete the payments at the rate of \$1.00 a week, without interest or increasing the cost?

The Vital Part of Your Cabinet

The picture above shows how the scientific arrangement of the Hoosier makes it a real helper. Storage space above and below. There is plenty of unhampered room above and around the aluminum (or porcelain) work table.

There are no useless little partitions to chop up the space and leave no room for work. Your cabinet must have big table space to work on. The Hoosier gives it.

Come and see these six exclusive Hoosier features:

- 1—The all-metal glass front flour bin.
- 2—The gear-driven shaker flour sifter which makes flour light and fluffy.
- 3—Scientific arrangement—articles needed most frequently easiest reached.
- 4—Revolving caster (shown in center of illustration).
- 5—The ingenious, big-capacity sugar bin—holds more than twice as much as most other bins.
- 6—Finally, doors that roll back at the sides of the cabinet, entirely out of the way.

An American farmer sows rye in his corn just before the last cultivation. The sowing is done by hand while walking along every fourth row. The rye is afterwards ploughed under, and adds a lot of humus to the soil.

MORNING NEWS OVER THE WIRE

The bodies of the two sailors who jumped from the steamship Langford below Chatham two weeks ago in an attempt to escape from the steamer, were discovered in the harbor at Chatham yesterday. A sailor from a barkentine, who attempted to follow the same course of escape, was also drowned. He was swimming from the ship to the shore when he was seized with a cramp.

The Peter C. Schults of New York, with a crew of six men, and laden with hard coal, have reached Yarmouth. They were forced to abandon the vessel, as she ran into a heavy gale and sprung a leak on October 9. They were picked up by an American fishing vessel, the Patriot, and landed at Sherburne.

Bartholomew Warren, of the West Isles, was shipwrecked in Monday's storm near Campbell and was drowned. He had left Campbell for West Isles.

Giles Simmons, resident of Arcadia, was found dead in his shanty yesterday morning. He was fifty-two years old and leaves a wife and four sons. He was a fisherman.

The water front of San Francisco was recently tried to the spectacle of a full-rigged ship Indian sailing into the harbor through the Golden Gate and taking up her anchorage without the aid of a tugboat, while steamers and ferries whistled their applause of the feat. Marine authorities say this happens about once in ten years.
