DISCLAIMS OWNERSHIP

Joseph Hatty was fined \$50 in the Police Court this morning on a charge of having liquor in his possession other than his private dwelling. Policeman Corvec said that while Hatty was getting out of a car in Charlotte street last evening a bottle, presumingly containing beer, dropped on the running board. He confiscated the bottle. Hatty said that earlier in the evening he had driven a party from the Seaman's Institute to the armory and they asked him to have a drink but he refused. The first he knew that the bottle was in the car, he said, was when he opened the door in Charlotte street to get out. He said that he was at a loss to know the bottle had got into the automobile. In view of the circumstances the magistrate said that he would strike the minimum fine.
