

FANS SHIVER AS TEAMS PREPARE FOR THIRD GAME OF SERIES

**PRES. COOLIDGE
TO MAKE FIRST
THROW TODAY**

**Today's and Next Two
Games to be Played
at Capital**

WASHINGTON, Oct. 10 — Clear skies and a stiff, cold, wind greeted those who peeked out early today to reckon the weather conditions for the third game of the world series. A temperature of 87 was registered at seven o'clock, but it had risen two degrees an hour later.

There was every prospect of a game today, though the temperature promised discomfort for the fans. The line of bleachers waiting for the opening of the gates was shorter than usual. These faithful devotees of the game shivered and shook as a cold wind swept them.

The postponement caused by yesterday's rain has brought prospect of a realignment of the pitching forces of Washington and Pittsburgh, now deadlocked at one game each, as they squared away for the third contest.

Alex. Ferguson, of the Senators, (Ray Kremer, of the Pirates, and President Calvin Coolidge are the day's selections for pitching duty. The president throws the first ball and Ferguson and Kremer have hopes of throwing the rest. The rain of yesterday which fell in sheets just before postponement was decided upon, was of aid to Manager Stanley Harris of the Senators in other matters than that of pitching, for it was expected that Oscar Bluege, third base fielding marvel of the present world champs, would return to the fray today. Bluege was hit by a fast ball from the hand of Vic Aldridge on Thursday and went to the ground to be helped off the field. Physicians have decided that his improvement has been sufficient to permit his participation in today's battle. Should Bluege fall to stand up under the strain, after the suffering he has gone through for two days, young "Bucky" Myers, New Orleans flash, who relieved Ossie Thursday, will take up the post at third.

NO WORD OF SOUTHPAWS.

Both managers are confident of success in the coming games. McKeech said that he would start Kremer, as previously planned, but made no mention of the choice for tomorrow. Harris stated that he would rely on Ferguson, former Eastern League boxman, who has seen service with the Red Sox and Yankees. But neither had anything to say about left-handers—and each has a good one in Reuther and Yde. The turn of the porters may come, yet

Inter-Association Bowlers Are To Open Schedule On Monday Night

Along The Sport Trail

By JOHN A. DUNLOP.

YESTERDAY'S postponement of the world series conflict should work considerably to the advantage of the Senators as it will probably give them Bluege's services today and enable them to use Walter Johnson in Sunday's game. Had the teams played yesterday and the Pirates won, Harris would have been faced with the choice of using either "Dutch" Reuther or Johnson and the veteran might not have gone so well with only a two day's rest. Even had the Pirates lost, Harris would have been faced with the same situation and knowing the Pirates' liking for southpaw pitching he might well have hesitated before sending the ex-Brooklyn star to the mound. But Old Man Rain has given him a welcome respite and it now is going to be a nip-and-tuck struggle with the breaks probably deciding the issue. That must have been one thrilling game to watch on Thursday with "Kiki" Cuyler's smash coming at the dramatic moment. This is a hard-fought series, bearing out the predictions of the sport writers.

TOMMY GORMAN, mentor for the New York hockey club, declares there is a glut on the hockey market. No one will be surprised in view of the wholesale raids that have been made during the last few months in the amateur ranks. There is some doubt yet about Hamilton being represented on the International circuit but if the Ambitious City promoters do decide to place a team on the ice, it means quite a number of other stars will receive tempting offers. Hockey should boom greatly in the big centres this winter as it is a fascinating game and has caught on tremendously in Boston, now a regular hotbed for Canadian stars who are picking up some loose change either playing or coaching. The situation down here still is a bit uncertain but Saint John can look to have a good team on the ice this winter.

TWO important bowling leagues start operations on Monday night, the Inter-Association and

there are many who predict that neither will start a game. Under the world series rules three games must be played here despite the postponement and unless further rain intervenes the last of the Washington set will take place Monday. With either team now requiring three victories to capture the championship, one conquest for either team here will mean a general rush to Pittsburgh Monday night.

English Boxer Wins From Larry Estridge
NEW YORK, Oct. 9.—Frank Moody, English middleweight, was awarded a judges' decision over Larry Estridge, Harlem negro boxer, in a feature 12-round bout here tonight. Moody scaled 163½ pounds and Estridge 159-4.

A Difference.
Penley—But you said you liked a story full of imaginative qualities.

Editor—That's true. But the quality of this is not imaginative; it is merely imaginary.

New Brunswick, which will meet the Trojans of Saint John here tomorrow afternoon will be stronger than the team which defeated the Trojans at Saint John last Saturday, Donohue being back in the scrum and Hickson being on at full back. Otherwise the team will be as it was. Substitution will be permitted and several extra players will be used on both sides. W. W. Graham, of Milltown, has resigned as football manager. Tracey Carten, of Fredericton, has been elected in his place.

"Newport Johnny" Is Victor Over Lambert

HALIFAX, Oct. 10.—Johnny Brown, Newport, R. I., scored a referee's decision over Lou Lambert, Portland, Me., in a fast ten rounder here last night, getting Ted Power's award after the judges had disagreed. Brown carried the fighting in all ten rounds but met an obstinate opponent in Lambert, who stood toe-to-toe with him all the way, standing up under terrific punches. Many times

SCHOOL SPORT IN PROVINCE IS WELL ORGANIZED

W. E. Stirling Grouped Various Sections For Play-Offs

ORGANIZATION work among the leading schools of the province along athletic activities has reached a stage now where only two more sections remain to be properly grouped, according to W. E. Stirling, New Brunswick vice-president of the M. P. B. of the A. A. U. of C., under whose jurisdiction scholastic activities now have been placed. In this work of grouping these schools, Mr. Stirling acknowledges gratefully the assistance given him by Rev. William A. Ross, holder of the Maritime half-mile record, H. O. Schyer, Bathurst, and J. Morris, Chatham. The broad effect of such organization work is that it considerably simplifies matters along this line for the schools themselves and also paves the way for any championship series. In rugby football, the winner of the Rotherham - Fredericton - Saint John High group has usually considered themselves provincial inter-scholastic champions, but through the grouping that has just been completed, every section will be given a fair trial to win its spurs. This will apply to hockey and basketball and other sport activities.

According to Mr. Stirling the groups are:

First group: Saint John High, Fredericton High, Provincial Normal School, St. Vincent's High and Rotherham Collegiate School.

Second group: Moncton High, Sackville, Dorchester and Mount Allison Academy.

Third group: Campbellton, Bathurst and Chatham High, Harkins' Academy and St. Thomas' College, Chatham.

Fourth group: Rotherham College No. 2, Hampton Consolidated, Sussex, Rotherham Consolidated, Kingston Consolidated. This group Mr. Stirling says is in the nature of a junior group.

There remain to organize into groups Woodstock, Edmundston and Grand Falls, in one; and St. Andrews, St. Stephen, Milltown and McAdam, in the other. As soon as Mr. Stirling can get in touch with the proper authorities, these sections also will be included.
