GOING TO RUSSIA.
A cable received today from Signaller Fred N. Myles states that he has been attached to a certain battery of Canadian field artillery, exposed to the forces, and was leaving for northern Russia. He went overseas with the 9th Siege Battery and now is in London awaiting sailing orders. Two other St. John boys, John Jordan and Robert McConnell, it is understood, are going to Russia with the same unit.
CALNEK-REED.
A wedding of interest took place on Saturday at 4 p. m. at the home of the bride's parents, when Beatrice Lennox, eldest daughter of Mr. and Mrs. Thomas Reed, 94 Wentworth street, was united in marriage to Captain S. H. Calnek, A. M. C. The ceremony was performed by the Rev. D. J. MacPherson. After the ceremony a light luncheon was served. Dr. and Mrs. Calnek left for Montreal on a short honeymoon trip and on their return will reside at 244 Union street.

MARRIED IN MONTREAL.
The marriage of Miss Beatrice Gertrude Cartie, youngest daughter of Mr. and Mrs. W. R. Cartie, to R. V. Raine, youngest son of Mr. and Mrs. J. M. Raine, of Halifax, was quietly celebrated at half-past four on Wednesday afternoon in Trinity church, Montreal. The Rev. E. C. Earp, acting rector, officiated at the ceremony. Mr. Cartie gave away the bride, who wore ivory tulle and georgette crepe, with silver trimmings, and tulle veil adorned with orange blossoms. Miss Ethel M. Lebb was her only attendant, and was gowned in peach-colored tulle with large black picture hat. The best man was J. M. Raine, brother of the bridegroom. The bridegroom's gift to the bride was a silver vanity case, and to the best man a silver cigarette case. Amongst the wedding gifts was a cabinet of silver, from the Furness-Witty Co., which the bridegroom is employed. Mr. and Mrs. Raine left for a trip to Toronto, Niagara and Buffalo, the bride traveling in a navy blue tailored suit with hat to match and cross fox fur, the gift of the bridegroom. On their return they will reside at 672 Dorchester street, Outremont.

SUIT CASE, WELL STOCKED, WAS TOO HEAVY FOR HIM
Seizure of Nine Gallons of Liqueur—Belgians Plead Guilty in the Police Court
Two Belgians, Joe A. Welling and Gus Bentrock, were before the police magistrate yesterday on a charge of having liquor in their possession and also with bringing it into the city. Both pleaded guilty and were remanded. They were arrested yesterday by Sub-Inspectors McAlinh and Garnett in the Union station. The men were transferring their suit cases from the Montreal train to the C. G. R. as Inspector Garnett was watching them. Bentrock was carrying two suit cases and they proved to be heavy that he fell with them. By the time he got to his feet Welling came along with another suit case and the two boarded the train. The inspector let them go and after they got into the Sussex train and were seated he went up to them and asked them what they had in the suit cases. The reply was "nothing." Garnett then demanded that the suit cases be opened and a fairly up-to-date grocery met his eyes. The cases contained nine gallons of liqueur and gross of corks. The Belgians were bound for Miramichi, N. B.
Two men were before the court on a charge of drunkenness. Both pleaded guilty and were remanded.

GERMANS FORCED TO USE THOUSANDS OF WOMEN IN WAR AREA
British Headquarters in France, Sept. 15.—(Reuters)—Striking evidence of the shortage of enemy manpower is given by prisoners. They assert that men, women and boys, who had been graded for national service at home, are being brought to the back areas to replace troops along the line of communication. They assert that there already are some 15,000 women in the fourth German army alone. It is reported that boys of seventeen years are being assembled in the region of Sedan for auxiliary service.
CHICAGO MARKETS.
Chicago, Sept. 16.—Corn weakened in value today owing chiefly to an embargo on shipments of grain to Kansas City, St. Louis and Omaha. The embargo was expected to increase the movement to Chicago, now the sole big centre that has not suffered from congestion. Peace talk tended to emphasize bearish sentiment, but only in a minor degree. Opening prices, which varied from unchanged figures to 7-8 lower, with October 1.92-8-8 to 1.92-8-8, November 1.49-1-4 to 1.49-8-4, were followed by a material setback all around.
Oats displayed comparative strength. Recent buying for government and export interests was the main basis. After opening unchanged to 8-1 cent higher, the market reacted somewhat with corn.
Provisions lacked support. Weakness of corn more than offset the firm tone of the hog market.

AIR RAID ON PARIS.
Paris, Sept. 16.—Several enemy aerial squadrons flew over the region of Paris this morning. They were subjected to a heavy anti-aircraft fire, but succeeded in dropping some bombs. There were a few victims and some material damage. The alarm was sounded at 1:25 and the "all clear" signal was given at 3 o'clock.

SUDDEN DEAD
OF W. H. BARNABY
Passed Away During Night At Country Home at Acamaac
City Shocked By News of Passing Away of Prominent Citizen—Had Long Business Career and Took Keen Interest in Public Affairs
News of the death of W. Hasen Barnaby at his country place on the Acamaac shore, a few miles from the city, at an early hour this morning was a shock alike to his immediate family, his former business associates and the community at large.
Mr. Barnaby retired in his usual health last evening, arose early and went to his room, and when members of the household found him he was dead. Mr. Barnaby made no outcry and there was no thought of his being other than in his usual condition of health.
When his son-in-law, Dr. J. H. Allingham of Millville, was hastily summoned it was found that heart trouble had instantaneously caused death. Naturally the household was overwhelmed with the loss, so sudden and so severe. Preparations were made to have the body brought to the city, where the home at the corner of Princess and Carmarthen streets was re-opened.
Mr. Barnaby, a very prominent citizen, leaves his wife, daughter of the late Wesley Thompson, and sister of Alexander Thompson and Mrs. John H. Thompson, one son and three daughters. The son is Capt. Hasen O. Barnaby, a staff officer in England with the Royal Flying Corps, and a veteran in the big light in various campaigns. Mrs. Winifred White, wife of Col. M. F. White, prominently engaged with the British army's campaign in Palestine, and Mrs. Nan Ryder, wife of Major T. Escott Ryder, who has been nearly four years in the expert artillery section of the Canadian forces, and has been promoted during his absence, are daughters. Major Ryder is manager of the Canadian Fairbanks Morse Corporation. A third daughter is Marguerite, wife of Dr. H. H. Allingham of Lancaster. There are two grandsons, the son of Col. and Mrs. White, who have been members of their grandparents' household along with their mother while the war has been on. Mrs. Ryder has also been staying at her home. Mr. Barnaby's sister is Mrs. Robertson, widow of T. Nesbit Robertson. He leaves no brothers.
St. John has possessed few men in its commercial career, who more sturdily and enthusiastically forwarded the interests of the city and port than did Mr. Barnaby. He was willing at all times with word, work or purse to aid good causes and progressive movements. A few years ago when the public became nervous over the steadily mounting cost of civic administration, Mr. Barnaby accepted the chairmanship of a representative committee to investigate and find some means of changing matters.
Out of this stringing up of public interest, the present commission form of city administration came and was crystallized into action also under the chairmanship of Mr. Barnaby.
Consistently Liberal in his federal and provincial political views, the late Mr. Barnaby was a candidate for broad-minded and really belonged to, what some are pleased to call, the old-fashioned school of unflinching and honest outspokenness. Mr. Barnaby was an exacting business man, but invariably kind and disposed to those of his staff with whom he came in contact.
Soon after his retirement from the corporation interests of Manchester, Robertson, Allison, Ltd., in which he was a manager, treasurer and director, Mr. Barnaby accepted a candidature for the local legislature under the banner of Hon. Walter E. Foster, but failed to win his seat. It can be very truthfully said of Mr. Barnaby that he entered the political arena in a frank spirit of public service, for, had he considered his private affairs and inclinations, he would have escaped the excitement and vigors of a campaign.
Late in January, 1917, Mr. Barnaby retired from the corporation of M. R. A., Ltd., after forty-eight years of continuous service, fifteen of which had been as a member of the firm. In that long period, Manchester, Robertson, Allison, Ltd., grew from a modest dry goods business to a departmental establishment of wide ramifications, both wholesale and retail. Much of the success of the firm, afterwards the stock company, was due to Mr. Barnaby's keen judgment and exceptional grasp of finance and knowledge of the financial resources of those with whom his firm had dealings. In a word he was generally considered one of St. John's outstanding figures, as a "safe, sane, financial man," a term used with great deal in banking circles. It was one of Mr. Barnaby's special characteristics to have personal acquaintanceship with the many wholesale customers of his firm, and his valuable fund of knowledge.
Mr. Barnaby was a man who delighted greatly in the sweetness of his home life with his children and his grandchildren. His tastes were simple and his chief recreations, just a few days ago he told some friends that he was feeling very well indeed, and had been enjoying his summer at Acamaac immensely.
