EARL GREY AGAIN.

It has been remarked already that

On the majority the effect has been adverse from the point of view of people directly interested, who are not, of stimulating and strengthening. It has been pointed out that in the last twenty-five years Great Britain has spent over £250.000, or \$1.250.000, in fortifying the Scilly Isles, which lie off Land's End, and the guns of whose fortifications command the Lizard. Now, owing to the economic policy of the Right Hon. R. B. Haldane, Secre- to the business in the local County manly way, without whining that we General, must have kissed the Blarney tary of State for War, the fortress is Stone during one of his visits to Ire- being dismantled and the heavy coast land.
