DESTRUCTIVE FIRE

AT GRAND FALLS

Catholic Church and Seven Buildings Destroyed.

Work of Bucket Brigade Prevented Other Buildings From Burning—One Woman Carried Unconscious From House.

GRAND FALLS, N. B., Nov. 5.—The most disastrous fire in the history of Grand Falls occurred this morning and entailed in less than three hours a property loss of \$30,000.

At 10:30 a. m. smoke was seen issuing from the roof of the Victoria restaurant on Broadway owned by Joseph McCormick and it was discovered that the attic was on fire. The town being without fire protection of any kind it was useless to attempt to save the building and all efforts were concentrated in saving the adjoining buildings.

Every person who owned a team worked hard hauling barrels of water to the scene and men with pails were stationed on the roofs of all nearby buildings.

A line of hose and lead pipe was stretched across the street from George Taylor's corner where there was a large hand pump, and soon a small stream of water was playing on the adjoining McCormick building.

The men on the post office, which was distant only a few feet from the burning building, worked heroically keeping the roof and sides saturated with water and spreading wet blankets thereon and contrary to all expectations succeeded in saving the building.

The McCormick building occupied by the owner as a restaurant and hotel and the barns and outbuildings in the rear were totally destroyed. Loss \$25,000; no insurance. The building was 2½ stories. The furniture in the lower floor was saved. Mrs. McCormick lost all her clothing and a large sum of money and was carried out of her apartments in the attic in an unconscious condition.

Miss Maria Mulhern lost her clothing and money and Mrs. White, a boarder, also suffered serious loss. The fire spread to the McColl building on the south, and it and two large barns in the rear were soon consumed.

This building which was unoccupied was owned by Henry McMillan. It was also a 2½ story structure. Loss \$2,000. No insurance.

Fortunately the wind was blowing in towards the river basin, otherwise a post office and Burpee building on a north would have blazed and set to half dozen old shacks and barns and the greater part of the town would have been consumed. As it was several bags of dynamite was conveyed to the scene for the purpose of blowing up a number of old buildings but were being no caps the intention was abandoned.

At one time the roofs of A. J. Martin's residence, house occupied by Wm. Janus McCuskey, Florent St. Thomas house, Thomas Bradley's residence, at Page's residence and the post office, besides several barns, were on fire and were extinguished only after most strenuous efforts.

Burning clinders and shingles were carried by the high wind past the Roman Catholic church which was distant more than 500 yards from the fire and about noon the cry was heard that the church was on fire. Flying sparks ignited the interior of the belfry, and the flames soon extended up the tower and to the interior. In an incredibly short time the handsome arch, also caught fire and in a short time the church was burning.

The church was a large and handsome structure of which the people were justly proud and was erected at

AUCTIONS.

WSP AUCTION SALES

Every Evening THIS WEEK

a cost exceeding \$60,000. The loss is total and the insurance on the church amounts to only \$5,000.

In less than three hours three large buildings, four separate barns and the Catholic church went up in smoke. Had the town had a system of fire works the fire could have been extinguished at first without trouble.

Great excitement prevailed during the fire and the citizens turned out en masse to watch the flames.

Late in the afternoon the ruins are still burning but all further danger was past when the church was destroyed. Although the church was most surrounded by buildings, some being mere fire traps, all escaped destruction.

The altars, statues, stations of the Cross, paintings, organ, pulpit and pews were saved from the church and the C. M. B. A. saved their organ and library from their hall.

Although the church is now a heap of smouldering ruins Father Joyner, the pastor, is not discouraged. Immediate steps will be taken to rebuild on a larger scale. While the church was burning the priest received one contribution of \$100 towards rebuilding. Plans will be made to hold services in Burgess hall for the present.

The fire was caused by a new stove placed in one of the upper rooms and the hole cut for the pipe not being properly protected by tin.

HOULTON, Me., Nov. 5.—The body of John Bunting, 45 years old, of Richmond, N. B., who went moose hunting last Friday, was found in the woods near Ed Liver today, death being due to exposure. Bunting, accompanied by his son, went on a hunting trip Friday and in the afternoon came on the trail of a moose. The boy was sent home, but nothing was heard of Bunting and today a search party discovered his body.

W. S. Harkins, the well known theatrical manager, was in the city yesterday. His company is now in Halifax, and will open a week's engagement in Charlottetown on the 12th.

DR. LINDSAY PARKER MAKES VEHEMENT ATTACK ON HEARST

Denounces Him as an Infamous Coward Whose Candidacy is Humiliating—Dr. Parker is a Democrat and Preaches Politics for the First Time.

(New York Herald.)

Passionately denouncing Hearstism and commending Charles E. Hughes from the pulpit, the Rev. Dr. Lindsay Parker, rector of St. Peter's Protestant Episcopal Church, Brooklyn, himself a democrat, preached last night the first political sermon of his career. He declared that there was no time to remain silent. The honor of the state was at stake, and it was the duty of all good citizens to oppose the threatened peril. Hearst he called a monomaniac on the subject of himself and the most prolific user of the "perpendicular pronoun" extant.

There was feeling in the tones of Dr. Parker's voice as he spoke of the unwelcome spectacle of a clergyman discussing political personalities in the pulpit of St. Peter's, but he defended his course by saying the unusual and perilous situation warranted him in speaking out.

"In the forthcoming election," said Dr. Parker, "I hold that the first question which we have to face is one of personality and character. In this connection one's first thought is of the men whose names head the thousands of voters, I make no doubt, will go to the polls next Tuesday and cast their ballots, thinking chiefly, if not solely, of these men and comparatively not of the effect to every other man on the ticket.

BREAK IN PARTNERSHIP.

"Some men will do this, I suppose, simply as partisans. There is and can be only one ticket for them, the one bearing the eagle of the star. But an indeed glad to believe that in the coming election there will be a surprising and perhaps, for the city and the state of New York, an unprecedented break in this regard.

"I feel sure there are hosts of Democrats who cannot bring themselves to vote for the ticket mislabeled for their party because of the name that heads it and the notorious and infamous way in which that name found place there.

"I fling to the wind all consideration of party. I am humiliated and put to bitter shame, angered beyond the point of silent endurance. I lift up my voice in passionate protest against the gross insult flung in my face and in the faces of thousands of honorable, independent and patriotic members of the party to whom I am proud to belong, by the demand
