

Have You Rheumatism? You Can Be Cured. FREE

A Scientific Discovery.

It is now possible to be cured of any form of rheumatism without having your stomach turned upside down or being half choked to death, and every sufferer from rheumatism should welcome this marvelous discovery with open arms and give it an honest trial. The new remedy was discovered by John A. Smith, Milwaukee, Wis., who is generous enough to send it free to every sufferer who writes at once. It is a home treatment and will not keep you from your work.

As you know if you've tried them, every so called rheumatic remedy on the market today except this genuine cure, will cause you violent stomach pains, and some of them are so dangerous they will cause heart trouble. And the worst of it is they never cure. When a person has rheumatism the constitution is so run down that he should be very careful what he puts into his stomach.

It therefore gives me pleasure to present a remedy that will cure every form and variety of rheumatism. That remedy is

"GLORIA TONIC"

Before I decided to tell the world about the discovery of "Gloria Tonic" I had tried on hospital patients, also on old and crippled persons with perfect success. But some people never will believe anything until they know it from experience, so the best and quickest way is for you to write me at you want to be cured and I will send you a package of "Gloria Tonic" free of cost. No matter what your form of rheumatism is—acute, chronic, muscular, inflammatory, sciatic, neuralgia, gout, lumbago, etc. "Gloria Tonic" will stop those aches, pains, and inflammations and cure you so that life will again be worth living. This offer is not for curiosity seekers but is made to rheumatics only. To them I will send a trial package of "Gloria Tonic" free.

Never before has a remedy been so highly endorsed as "Gloria Tonic." Among the eminent people who endorsed it are:

DR. G. QUINTERO, X Medical doctor and Surgeon of the University of Venezuela, whose endorsement of "Gloria Tonic" bears the official seal of the United States Consulate.

HON. EUGENE H. PLUMACHER, UNITED STATES CONSUL, Maracaibo, STEVENSON MACADAM, F. I. C., F. C. S., of Analytical Laboratory, Surgeons Hall, Edinburgh, Scotland.

L. I. RATHMAN, CALOOTE, South Australia.

THE EDITOR of the famous Medical Journal "Health," London, England, and many others.

So far this marvelous remedy has cured persons of upwards 86 years of age, their suffering dating from 8 weeks to 32 years. It is put up in tablet form and is free from ACIDS and ALCOHOL.

If you are a sufferer send your name today and by return mail you will receive "Gloria Tonic" and also the most elaborate book ever gotten up on the subject of Rheumatism, absolutely free. This book contains many drawings from actual life and will tell you all about your case. You get "Gloria Tonic" and this wonderful book at the same time, both free, so let me hear from you at once and soon you will be cured. Address: JOHN A. SMITH, 1503 Gloria Bldg., Milwaukee, Wis.

HE AROSE AGAIN.

I was standing before the window of an art store where a picture of the crucifixion of our Lord was on exhibition. As I gazed I was conscious of the approach of another, and turning, beheld a little lad gazing intently at the picture also. Noticing that this mite of humanity was a sort of street Arab, I thought I would speak to him. So I asked, pointing to the picture: "Do you know who it is?"

"Yes," came the quick response, "that's our Saviour," with a mingled look of pity and surprise that I should not know. With an evident desire to enlighten me further, he continued, after a pause: "Them's the soldiers, the Roman soldiers, and," with a long drawn sigh, "that woman crying there is His mother."

He waited, apparently for me to question him further; then thrust his hands into his pockets, and with a reverent and subdued voice, added: "They killed Him, mister. Yes, sir, they killed Him!" I looked at the lit-

tle ragged fellow, and asked: "Where did you learn this?" He replied, "At the Mission Sunday School."

I turned away and resumed my walk, leaving the little lad looking at the picture. I had not walked a block when I heard his childish treble calling: "Mister! Say, mister!" I turned. He was running toward me, but paused; then up went his little hand, and with triumphant sound in his voice, he said: "I wanted to tell you He rose again! Yes, mister. His rose again."

His message delivered, he smiled, waved his hand, turned and went his way.—T. R. Teske.

NOTHING LIKE "NOW."

I had thought to send a flower to a sick friend, but decided, "Tomorrow will do as well." Next day the flower was laid on a still, cold form.

Because of busy, happy work, I neglected for a month writing to a dear friend far away. The tardy missive brought answer:

"Dear One.—Your letter is a comfort to me. I have waited for it through a month of heavy trial. I know you would have written sooner if you could, or had you known the comfort your words would be."

Two friends misunderstood each other. "Soon," I thought, "I shall speak the little word that will clear their skies." The events of a day separated us all for ever, and the little wrong was not made right.

An earnest youth was in need of a helping hand. I longed to extend the help, but self-interest answered: "You cannot; God will take the will for the deed."

Then the Spirit within took me to my knees, and I prayed: "O God, shall this poor 'will,' and nothing more, be offered Thee? Then Thou has naught. Oh, make it Thine, that loving deed may prove the will to serve!"

And in that hour the youth's need was supplied, nor was self the poorer.

Oh, the blessed "now," which is all of time I have! God help me to use it for Him! And if there is a word to be spoken, a flower to be sent, an alms-box to be broken, God help me do it now.—Sel.

SIN BRINGS ITS OWN CURSE AND PENALTY.

It was recently told of a young peasant woman of Montenegro that she was returning to her home at Cetinje, from a town in which she had just sold some poultry when she met a young man who told her that there was a much nearer way home and that he would show it to her if she were willing. Seeing no reason to distrust him she accepted his offer; whereupon he preceded her up the mountain path and in about ten minutes they came to the edge of a precipice. Suddenly the young man seized her, and pointing a dagger at her throat demanded her money and her clothes. She was obliged to obey him, and then was about to make her escape, when he said, "No, No," with a laugh, "you've got to jump down this precipice." Falling upon her knees she implored him to spare her life but paying no heed to her cries he threatened that if she did not jump of her own accord he would throw her over. "All right," she said, "but at any rate allow me to cover my eyes with a handkerchief. You will find one in the pocket of my dress. Please hand it to me." The brigand stooping to reach the handkerchief, the woman summoned all her strength and pushed him over the precipice. As he fell he grasped a rock near the edge and thus succeeded in supporting himself; but the woman kicked his hand away from the rock and down he fell to the doom he deserved so well. Returning to her home the woman told her story to Prince Charles, and soldiers were at once sent to the scene, who found at the foot of the precipice not only the body of the brigand, but also two corpses which were evidently the remains of two of his victims. No man can sin and go free. His iniquity will sooner or later come home to him. Achan was discovered and his bones bleached in the wilderness.

ONE DAY.

We know not when, we know not where,
We know not what that world will be,
But this we know, it will be fair
To see.

With heart athirst and thirsty face,
We know, yet know not, what shall be—
Christ Jesus bring us of His grace
To see.

Christ Jesus bring us of His grace,
Beyond all prayers our hopes can pray,
One day to see Him face to face—
One day.

Dear Sirs:—I have been thinking for some time that I should let you know what your CERTAIN CHECK has done for my son. He had such a bad case of Cholera that he was reduced to a skeleton. We tried doctors, drugs and every other remedy, but without avail. Finally we procured your CERTAIN CHECK and we believe it saved our boy's life, as it cured him after everything else had failed.

Your Life of Man Bitters and Invigorating Syrup also cured me of liver trouble. I consider that your medicines are all as recommended.

Yours truly,
