That's a word the dictionary in this sense of its use, but which is in very common use in some sections of the country. "She's always piecing" they say of the woman who runs to the cupboard at irregular hours and eats a piece of pie, cake, or some other dainty. This irregular eating is one of the chief causes of dyspepsia and "weak" stomach. Diseases of the stomach and other organs of digestion and nutrition are completely cured by the use of Doctor Pierce's Golden Medical Discovery. It increases the supply of rich, pure blood, and gives the body vitality and vigor.

and gives the body vitality and vigor. "A year ago I was feeling very bady," writes Mrs. Lissie Abrams, of 135 Johnson Avenue, Brocklyn, N. Y. "Had a very poor appetite and when I sat down at the table I could not eat, but would have to go away withost even tasting the food. Chancing to hear from a friend who used your 'Golden Medical Discovery' for a disease similar to mine. I thought I would give the medicine a trial, and I can hardly werpress the benefit received from it. The first dose seemed to do me good. My appetite re-turned and I was able to eat heartily. I have improved so much since taking the 'Golden Medical Discovery'. I do not look like the same person. Am to-day well and strong-the result of taking six bottles of Dr. Pierce's Golden Medical Discovery."
