

AROUND THE CITY
FAIR AND COLD

A big ceremonial session will be held by Luxor Temple in their rooms, Germain street, Friday night next.

FURIOUS DRIVING.
Three men who appeared to be under the influence of liquor, escaped the police and drove a horse in a reckless manner on Union and Waterloo Streets last night.

MILITARY APPOINTMENTS.
The London Gazette notes these appointments: To be Act. Capt. Temp. Lt. J. G. Leighton, M.C. Temp. Maj. A. McMillan, D.S.O., is second for duty as staff learner. Temp. Capt. W. C. Lawson, M.C., to be Adj.

WILL MEET THURSDAY.
The members of the New Brunswick Returned Soldiers' Commission are being kept busy and will hold a meeting in this city on Thursday afternoon next. Delegates from all over the province will be present and matters of importance will be dealt with.

AT ST. DAVID'S.
The sing song at St. David's Church for the soldiers and sailors was attended by a large number. A. C. Smith sang a solo and all hands joined in a number of familiar hymns. Refreshments were served to the boys at the close.

INQUEST TONIGHT.
The inquest in the death of Harry Short will be held tonight at eight o'clock in the police court. The jury has been empaneled and will view the remains on Saturday morning. Charles H. Smith, foreman; William Wetmore, Edward E. King, T. F. Kelly, Frank Olive, Geo. Keirstead and F. W. Courland.

STEAMERS IN PORT.
From present indications the month of December will be a record one for the Port of St. John, at least in the number of vessels in and out. At the present time no less than fifteen steamers are in the harbor. Every berth is occupied. At No. 2 are lying side by side, and two are anchored in the stream.

THE COAL HANDLERS.
Messrs. R. F. & W. F. Starr, Saturday morning agreed to accede to the coal handlers' demand for a seventy-cent rate, and the men resumed work at noon. The steamship Metagama was taking coal yesterday and is being bunkered by the Colwell Coal Co. The Dominion Coal Co. still refuse to pay more than 60 cents an hour.

SKATING ENJOYED.
The skaters turned out "en masse" yesterday on Lily Lake and enjoyed themselves. The light fall of snow tended to make the skating hard, but not enough to make it impossible. No doubt a part of the lake will be cleared for the skaters this winter, and this, coupled with the South-End Playgrounds, should make skating one of the popular pastimes this season.

SEAMEN'S INSTITUTE.
There was a large attendance of sailors at the Sunday evening service held under the auspices of the St. John W.C.T.U., Mrs. Seymour presiding. The address was given by the Rev. F. H. Wentworth. The choir of Waterloo St. Baptist Church was in attendance and gave several fine musical selections, which were much enjoyed. Refreshments were served at the close of the most enjoyable service.

TURKEY SUPPER ENJOYED.
The cafeteria at the McAvity Plant, Rotheray Avenue, is coming to the front daily, as on Saturday evening a turkey supper with all the "trimmings" was served to the employees at the low rate of seventy-five cents, and in view of the supper offered all the employees returned at the tables in no mean manner, as they did justice to the dainty spread. All the boys are now asking who was the chef, and desire that he repeat the affair in the near future.

LETTER OF THANKS.
Charles Robinson, secretary of the Returned Soldiers' Commission, is in receipt of a letter from B. Levinstein, national secretary of the Jewish Legion for Palestine, 44 East 23rd street, New York, thanking him for his kindness and for the "trimmings" discharged from a Jewish unit of the British army while in St. John on his way through to New York. The writer said that he expected another party of returned men to pass through here shortly.

THE POLICE COURT.
In the police court on Saturday a drunk was remanded. A sixteen-year-old boy was remanded on the charge of obtaining goods and money under false pretences, he having passed a forged cheque for fifteen dollars on C. J. Basson. J. A. J. McLeod, who was charged with desertion of his wife, promised to support her in the future. He was made aware of the fact that if he failed to do so he would be fined \$500 or be sentenced to one year in jail.

WAS BADLY BURNED.
A few days ago a young woman in the North End attempted to clean her gloves while on her hands with gasoline. While the gloves were covered with the liquid, a kettle of water started to boil over on the stove, and when she grasped the kettle handle the gasoline on the gloves caught fire, with the result that both of her hands were frightfully burned. She was conveyed to the hospital for treatment, and it will be some time before she is able to get around again.

MILITARY CROSS
FOR LOCAL OFFICER

Douglas E. White Not Only Honored in France But Promoted for Performing Dangerous and Difficult Task.

Good news has been received by the relatives and friends of Douglas E. White, son of Dr. and Mrs. W. W. White, of Sydney street. Regimental orders published in France on November 14th show that Douglas E. White has been honored with the Military Cross, and has also been promoted to Captain for gallantry while in action. There had been a call for volunteers to perform some very difficult work, and the young St. John officer was one of the first to volunteer. It was a dangerous task, and it was so well performed by the then Lieutenant White, that it resulted in his promotion and being honored.

MEMORIAL SERVICE
FOR TWO BROTHERS

Large Congregation Hear Tribute Paid in Honor of Frank and Harold Chesley, Who Paid Supreme Sacrifice.

At the Main Street Baptist Church last night a memorial service in honor of Frank and Harold Chesley, who lie in soldier graves in France, was conducted by the Pastor, Rev. Dr. Hutchinson, who paid a tribute to the splendid spirit shown by these young men in answering the call of Empire. Special music was rendered by the choir, and a large audience was present to pay a token of respect to the memory of the lads who had given their all in defence of freedom and Justice.

Of the hundred or more names on the honor roll of the church, ten have the gold star before them, denoting that they have paid the supreme sacrifice on the battlefields of Europe. Referring to the two in whose honor the service was held, Dr. Hutchinson said: "Frank and Harold Chesley were North End boys. In the North End of our city they were born, to the public schools of the North End they went for their education, and in our own Sunday School they sat as scholars of the best of books, the Bible. The last Sunday evening they were in their home city, one of them was in our church. After a short period of training in England they crossed to France, where they participated in some of the fiercest battles of the war. They took part in the retreat before the German hordes, and they also took part in the advance when the Allies threw back the Hun.

"On August 9th, 1918, Frank was killed, and on October 12, Harold met the same fate. Tonight we, as far as language will permit, express our appreciation of the sacrifice they made, and our admiration of the splendid courage they displayed. We would also assure the family, the father, the sisters, and brother George, still overseas, of our respect and tenderest sympathy in the great sorrow which has come to them."

Frank and Harold Chesley, sons of A. Purdy Chesley, and nephews of J. C. Chesley, enlisted in the fall of 1916 at the respective ages of eighteen and seventeen with a Toronto unit. They crossed to England in January of 1917, and a month later went to France to serve with the 25th Nova Scotia Battalion, with which unit they were serving at the time of their death.

SERVICE IN MEMORY
OF LATE FRED HALL

A memorial service was held last evening in the Charlotte Street Baptist Church, West End, by the pastor, Rev. J. H. Jenner, B.D. The service was held in commemoration of the loss of one of its most prominent members, and members, the late Fredrick Hall, who lost his life while at work recently, when he fell into the hold of a steamship. Mr. Jenner dwelt on the services which the late member had given to the church and to his Creator, and exhorted the members of his congregation to be of that same spirit of good, and all which bespeak of godliness the trials which were most characteristic of the late Mr. Hall. Special prayers were delivered on the occasion of the memorial, and the church was decorated with beautiful flowers, the gift of the members of the congregation.

WAS PRISONER
IN GERMANY

Lieut. K. L. Golding of Royal Air Force Arrived in the City Saturday.

Another brave officer in the person of Lieutenant Kenneth Golding, of the Royal Flying Corps, and the son of Mrs. Edgar Golding, 25 Padlock street, reached his home Saturday evening from overseas via New York. Lieutenant Golding came over in the Lapland—one of the Red Star lines—being one of a party of 195 officers returning home overseas. In the early days of the war he was manager of a branch of the Bank of Nova Scotia, in Toronto, and enlisted in the Royal Flying Corps afterwards known as the Royal Air Force. While flying in France his machine went bad and being crashed to the ground he suffered severe injury, and was afterwards reported as missing, but had fallen into the hands of the Hun. Finally, after six months under treatment in the hands of the enemy he was allowed to proceed to Holland and thence to England. The returned officer is as vigorous as a Yale lock regarding his experiences while in action or while a prisoner, and tells his relatives and friends that he is forgetting everything, or trying to do so. He is fast retaining his health and will in the near future be himself again.

GOOD NEWS FOR SOLDIERS
WHO EXPECT THEIR DISCHARGE

Owing to a number of requests from soldiers who expected, but did not receive their discharge during the last few days, we have decided to continue our Winter Clothing Sale all this week, thus enabling the boys to buy their civilian outfit from a hat to a pair of boots at Greatly Reduced Prices. We have outfitted many discharged men at this sale to their entire satisfaction and we urge all those who are to leave the army within the next few weeks to take advantage of this Money Saving Opportunity. Pick out your goods and we will hold them until you need them—a lot of the boys are doing this. If you cannot come during the day, telephone Main 841 and we will make arrangements to have one of our salesmen meet you at the store any evening. HUNTS CLOTHING STORE, 11-18 Charlotte Street.

A MUSICAL TREAT AS WELL.

The merged orchestras to be utilized in interpreting the marvellously realistic setting of D. W. Griffith's masterpiece, "Hearts of the World," (14 reels) at Imperial Theatre today and the remainder of the week, will afford St. John music lovers the treat of the season. This score is from the pen of Carl Driell, well known as author of The Song of The Soul and other modern classics and it verily breathes the fluctuating spirit of the great drama. The orchestra will be under the direction of Norman Thorpe of London, England, and the players from Toronto with the Imperial's ten instrumentalists in addition. Shows start at 2:15 and 8:15. Seat sale now on at box office.

50,000 returned soldiers will pass through St. John this winter, and the Returned Soldiers' Reception Committee will have a busy winter looking after these men.

They now appeal to the generosity of St. John citizens for funds to carry on the work. Subscriptions will be gratefully received by S. Herbert Mayes, chairman, or R. S. Ritchie, secretary.

SUCCESSFUL YEAR
FOR THE DAIRYMEN

This Was Expressed by H. W. Coleman, Provincial Dairy Superintendent, Last Evening—Big Possibilities for Farmers.

That the past season had been a successful one for the dairymen, was the opinion expressed by H. W. Coleman, provincial dairy superintendent, to the Standard last evening. Mr. Coleman said he had not received all the returns for the year but while so far as he could tell the production would not be as great this year, the higher prices paid would probably bring the total amount received above that of previous years. In the manufacture of cheese, a new policy had been inaugurated last spring, and after a conference with the producers and dealers, the latter had agreed to buy only stock which had been graded by the department. The dealers had stuck to this agreement and as a consequence the article sold had been more uniform and from what he had been told by the dealers of a better quality than in previous years. Asked as to how New Brunswick compared with Ontario in respect to dairymen, Mr. Coleman said that most of the factories were not as modernly equipped as were those of upper Canada, but there was no reason why this province should not manufacture at least enough dairy products for the local market. There were big possibilities here if the farmers would only take advantage of them. Mr. Coleman said there would be a dairy exhibition at Sussex in February when all interested would have an opportunity to judge of what had been accomplished so far in this line.
