

FIFTY-SEVENTH ANNUAL REPORT

OF THE

Committee of Management of the St. George's Society

FOR THE YEAR 1892.

The Committee of Management have the honor to submit the following report of their proceedings during the past year, being the 57th since the foundation of the Society :—

Owing to the lamented death of their late esteemed Patron, the Right Reverend Dr. Williams, on the 20th April last, the customary anniversary service was not observed last year. The revenue has therefore been diminished to the extent of the offertory on such occasions.

Notwithstanding this, the report of the Sub-Committee of Charity shows that the Society has been enabled to respond to the many calls made upon it during the year. The Society has relieved 128 cases of distress during the year at an expenditure of (for details see report of Sub-Committee)..... \$449 74
Donations at \$50 each have been made to the Finlay Asylum, Ladies' Protestant Home, Women's Christian Association and Jeffery Hale Hospital. 200 00

Making total distribution..... \$649 74

It affords the Committee great pleasure to announce that the financial affairs of the Society continue in a prosperous state, the funded assets now amounting in value to about \$14,800.

We have to mourn the loss by death of two of the oldest life members, who have passed away during the year in the persons of Messrs. Richard Freeman and George Wakeham,
