

This being the sixtieth year of Her Majesty Queen Victoria's reign, in accordance with the decision of the Society a deputation took part in the Diamond Jubilee festivities held on the 22nd June, including a procession to Victoria Park, which was inaugurated in honour of the event.

The anniversary of St. George's Day was, as usual, celebrated by Divine Service in the Cathedral, at which the Rev. Dr. Dumbell, of Sherbrooke, kindly preached an eloquent and patriotic sermon; the thanks of the Society are hereby tendered to him for his services.

The Society is again indebted to Mr. E. A. Bishop, organist, the members of the Cathedral Choir, and other ladies and gentlemen who so kindly assisted in the musical part of the service.

The report of the Sub-Committee of Charity shows the Society has relieved 190 cases of distress during the year at an expenditure of \$436.75. (See report of Sub-Committee of Charity.)

We are again indebted to Mr. Heber Budden for his valuable services in distributing the charitable funds of the Society. His unremitting care and attention in this connection are too well understood and appreciated by the members to need any further reference than the expression of the hope that he will long continue his active interest in this the most arduous portion of the Society's work.
