After spending the evening in a social way, a treat of ice cream and cake were served; and before singing "Blest be the Tie that binds" the Rev. Mr. Watts presented the guest of honor with a purse which testified of the high esteem in which she was held in our church and community. Our good wishes follow her, though we do not like to see our young folk leaving home.

If selling a suit of clothes to a man who came in intending to buy a collar button is super-sensational, then what is making a man give you a wedding ring when he only intended giving you a kiss?

Teh dentist has no outlook on life; its an inlook.
