## ELMIRA ELECTORS HEARD ADDRESSES

ON BEHALF OF ALD. ASMUSSEN  
IND. LIBERAL CANDIDATE  
The last meeting held by Ald. N. Assmusen, the Independent Liberal candidate, was held last evening. It was at Elmira.  
The meeting was a success in every way. The attendance of electors was large and the interest and approval shown by them were quite apparent. It would seem that Ald. Assmusen will get a good vote in the northern district.  
The chairman was Mr. Gibson, of Elmira. The speakers were the candidate, Ald. Assmusen; Mayor Kutt, of Elmira; Mr. W. D. Euler, M.P., and Mr. Schurr.  
Summing up the situation and the campaign the supporters of Ald. Assmusen impress the fact that the prospects for his election never looked more certain. In the rural districts the attendance at his meetings, it might be added, has been double that at any meetings of any of the other candidates. They predict a big surprise.

## CANADIAN SOLDIER FOUND MURDERED IN ARIZONA DESERT

WAS MEMBER OF 20TH TORON-  
TO BATTALION  
(Special to The Record)  
HAMILTON, Oct. 18.—Shot in the back, his body beaten in with a stone and his body partly buried, on a lonely desert about 130 miles from Prescott, Arizona, that has been the fate of a unnamed Canadian soldier thought to be named Fulton and to have been a member of the 20th Battalion recruited in Toronto.  
The body was found by a sheep herder about two miles from an automobile road which passes through the desert and was taken to Prescott where it remains unidentified. Clues leading to the murderer or murderers have not been discovered neither has a motive for the crime been established.  
The Canada arrived at Quebec and Montreal with more than nine hundred passengers—military, civilian, munitions workers and dependents.

## NO OPEN SEASON

Referring to the game laws, which provide for an open season for black and grey squirrels in certain sections of the province the local game warden, Mr. L. Sattler, says: "There is no open season for these in York, Waterloo, Hal- dimand, Kent, Oxford, Wel- lington, Peel, Middlesex, West- north and Elgin counties."

## VOTE FOR ASMUSSEN AND DEFEAT HEARST

We have no confidence in the Hearst government. It cares nothing for the people except at election time. It stole from the electors the right to choose a new Parliament last year. It is as autocratic as the Union government.  
It was elected in 1914 on an anti-prohibition platform. Two years after that it brought in prohibition without a vote of the people. It therefore betrayed those who put them there. It is now trying to fool the prohibitionists with a referendum ballot that not one man in ten understands. Hearst himself voted 7 times against prohibition when Rowell proposed it; then stole Rowell's policy.  
You can't trust a wobbler.  
So Hearst must go.

His candidate in North Waterloo is C. H. Mills. True, Mr. Mills says he will support Hearst in everything but his temperance policy. But actions speak louder than words. Mr. Mills was elected in 1914 against a temperance candidate. Yet, in 1916, he sat tight in Parliament without a word while Hearst passed his prohibition law. He must be judged by his actions while he was in office, rather than by his promises when he tries to get back to office. That's plain horse-sense.

If you really want to beat Hearst, choose one of the other candidates. Choose a man whom you know. Choose a man who has a backbone of his own and a mind of his own and who will fight and speak for his convictions. Don't scatter your votes among impossible candidates. Support a man who is outspoken, who says what he thinks and stands by what he says. Such a man is Ald. Nick Assmusen, the Independent Liberal and Workingman. Examine his record. He has served as alderman for 10 or 12 years. Last election he headed the poll. He has had experience. He is a genuine workingman and can fight for their rights as none of the other candidates can. You know that is true.

The Socialist candidate need not be discussed. Barbour, the farmer candidate, is a prohibitionist and a Unionist. Snider is nominated by a group of Unionists, although they call him a Liberal. He has not the endorsement of Dewar or King, both of whom were true to Laurier in 1917. A Unionist is not a safe man to send to Toronto. Hearst himself asks for support because he was a Unionist in 1917.

Haehele is a workingman. There is nothing against him, but he is not well-known. In Assmusen we have a man we all know, a man who is a man who will not merely keep his seat warm when he goes to Toronto.

In our opinion Ald. Assmusen is the man. This election is a serious business. It is not a time for sympathy or personal prejudice. Support the man who can beat Hearst.

SO ALTOGETHER, VOTE ASMUSSEN ON MONDAY.

## IN VICTORY LOAN CIRCLES

SOMETHING NEW  
Moving Pictures to Boost the Victory Loan  
The campaign of the Victory Loan will be much more interesting this year than last. There is a tireless committee in charge of the propaganda and no means is to be neglected that will aid in bringing the needs of the Government before the people.  
Good speakers will visit all the principal centres and address the citizens on the financial situation showing how necessary it is that Canada should extend credits to European nations who need our exports but are unable to pay "spot cash." The loan will enable the Government to purchase the materials from the Canadian producer, paying himself, and delivering the good to Great Britain and other powers on credit. Thus the wheels of industry will be kept spinning and both the mechanics and farmers will benefit and of course as they prosper, the merchants will prosper. It is intended this year to the audiences by means of moving pictures, especially prepared for the purpose, and between the films short addresses will be made by competent and interesting speakers.  
Meetings will be held in outside municipalities between October 26 and 27th inclusive, the itinerary being as follows:  
Public Meetings to be held: Tues- day, October 21st, Elmira; Wednes- day, October 22nd, Wellesley village; Thursday, October 23rd, Linwood; Friday, October 24th, New Hamburg; Saturday, October 25th, Baden; Sunday, October 26th, Kitchener; Monday, October 27th, Waterloo; Tuesday, October 28th, St. Jacobs.  
A good time is guaranteed and in addition to loaning the Victory Loan the addresses and motion pic- tures will be highly educational.

## EXPECT MAJORITY ON QUESTION NO. 4

EVEN MONEY OFFERED ON  
WET VICTORY  
(Special to The Record)  
S. S. MARIE, Oct. 18.—Bets on the result of the referendum are being made here in the home town of Sir William Hearst. Several wagers were made in one of the leading hotels last night. Chief interest centres in question No. 4.  
Odds were asked against question 1, 2 and 3 being carried on the affirmative and there were no takers. Even money that question No. 4 would be answered in favor of the wets was offered and taken on several occasions.

Hon. N. W. Bowell introduced a measure in the Commons to reduce the traffic in opium, cocaine and morphine to a minimum.

## SHRAPNELS

Pick Nick.  
Make it five times Yes on Monday. Four times on the referendum ballot, and once for Nick, the straight opponent of Hearst.

Heretofore Charlie Mills never had much opposition. That may be the reason why there are five candidates against him this time.

Ladies, it is your duty to vote. Don't stay at home and cut your husband's vote in half.

Maud, on the referendum ballot you must put your X four times, once after every one of the four questions either under Yes or No. But—vote in the way which puts your husband or brother, or any other brother in the best of humor.

And you, my dear Mabel, don't let the ballot with the names of the six candidates frighten you. Put only one X on the ballot, and to save time and worry just place it after the first name.

I thought the Telegraph would get going at the very thought of referring to the issues of 1916 and 1917. Funny, isn't it? If those issues were good ones then, they must still be good. Or, has the D. T. changed its mind? What—no answer!

Mr. Euler is being criticized for staying at home this week to help in the defeat of the Ontario friends of Union government. Yes, and these same critics worked hard in 1917 to keep him from getting to Ottawa at all. You know that was one of the reasons why he got a majority of 2500.

If the "No's" win on Monday, it will be "Dry, dry again."

The winner on Monday night is not likely to have a majority of the votes.

Six little blackbirds baked in a pie. One was elected, the others slipped by.

Five of the candidates will find on Monday night that several thousand people in North Waterloo are strong on broken promises.

The time to defeat Hearst is next Monday. That's the one big job for the electors.

You must vote "Yes" on the Referendum ballot in order to say "No" to prohibition.

So far Hearst has not publicly expressed his thanks to the people who are working hard to split up his Opposition.

Candidates don't forget that your worst enemies may give you the heartiest handshake!

The capitals of the six candidates' surnames are A. B. H. R. M. S. and our tag says that means: Assmusen Beats His Rivals Mighty Sure.

## ONTARIO ELECTIONS AND EIGHT DOM. NOMINATIONS

SLATED FOR NEXT MONDAY

### MANY OTTAWA MEMBERS HAVE LEFT

(Special to The Record)  
Ottawa, Oct. 18.—The ranks of the Conservatives have been greatly reduced in the Commons during the last few days, for the greater number of Ontario Conservatives have quietly slipped away to assist in the Ontario campaign.

East Quebec too, has lured away a number of the Liberal members from Quebec, but also nomination day for the most part are staying on the job in Ottawa and but few even from Ontario are taking part in the campaign.

Monday next is not only polling day in Ontario, but also nomination day for the eight Federal byelections a week later. There are candidates in all eight seats and in most of them a contest is inevitable. In Assiniboie Gould for the grain growers and Motherwell for the Liberals may have the fight to themselves.

In Kingston Sir Henry Drayton Minister of Finance, will stand for re-election. A split in the Unionist ranks there has been healed by the withdrawal of ex-Mayor Hughes, but former Mayor Elliott may run in the Liberal interests.

In North Ontario, W. D. Cowan is carrying the Government banner, while R. H. Halbert is the United Farmers candidate. In Olangarty Kennedy is running for the farmers, while the government may put up General Harvey.

In Carleton N. B. Caldwell, the Farmer's candidate, is the only serious contention at the present time. Both Liberals and Government forces are waiting to see what the other will do. East Quebec promised an exciting contest, but the entry into the field of Ernest Lapointe, following his resignation from the House as member for Kamouraska, has practically rendered the result a foregone conclusion. There is in the field a representative of Lapointe. On nomination day Armand Lavergne may be put up but even that is not certain. Mr. Lapointe's most serious contender will be the labor man in any case.

It would appear that Hon. W. L. MacKenzie King, will secure an acclamation in Prince, for the Government organ for Prince county, says that there will likely be no opposition to him.

In Victoria Hon. Dr. Tolmie, Minister of Agriculture, is to be opposed by a labor man. The byelections while interesting, will not constitute much of a test of the strength either of the Government or the Opposition, unless there are some big surprises.

### WINNIPEG CITIZEN MURDERED ON STREET EARLY TO-DAY

W. J. DEFORGE SHOT ON STREET  
(Special to The Record)  
WINNIPEG, Oct. 18.—W. J. De- forge, 657 Maryland St., was found murdered at 2 o'clock this morning. He was attached to the Military Intelligence Department during the war. DeForge was shot through the heart outside 680 Maryland Street.

He was 25 years of age, married, and had conducted a confectionery store. He left the store shortly after 1 a.m. It is thought he had \$200 or more on him, the murderer did not get it. The shot alarmed the people in Kenwood apartments who rushed out and found DeForge dead on the sidewalk. A widow and a three-year-old son survive. There is no trace of the murderer. The city is infested with daring gangs of auto bandits.

## SUNDAY A BUSY DAY FOR DRY CAMPAIGN

POLITICIANS WILL REST ON SUNDAY.  
(Special to The Record)  
Toronto, Oct. 18.—Sunday promises to be a day of vigorous campaigning throughout Ontario. Many church organizations are taking an active part in the referendum. A large number of church services will be along that line. In addition there will be many public meetings in the effort to keep Ontario dry. Both sides express confidence in their prospects of success.

In regard to the general elections the campaign will be practically closed to-night. Sir Wm. Hearst, Premier, and H. H. Dewar, Leader of the Opposition, will speak in their own writings, and there will be many other eleventh hour meetings of candidates to give their final arguments. Canadian managers of Conservatives, Liberals and U.F.O. express satisfaction with their prospects.

## BECK NOT WORRIED BY HECKLING

HIS ACCUSERS ARE SILENCED.  
London, Oct. 18.—Face to face with critics who charged him with almost every conceivable iniquity from grafting butter and eggs and jam at Byron Sanatorium to being responsible for the present high cost of living, Sir Adam Beck stood on the platform of the East End Town Hall last night, and patiently, fearlessly and courteously silenced his accusers by the production in each case of irrefutable facts.

Sir Adam fully sustained his reputation as a clean fighter. His appeal to the electors was received most sympathetically. He was repeatedly cheered.

## A CLOSE CONTEST

McGARRY HARD PRESSED  
(Special to The Record)  
RENFREW, Oct. 18.—Mr. John Carly, the U.F.O. candidate who is opposing Hon. T. W. McGarry in this riding, held a well attended rally here last night. There is a feeling that it will be a very close contest, unless McGarry can split the vote of the farmers. He will have a very hard job holding his seat.
