

Sound, Ont., and is making a number of extensions in Owen Sound.

The Bell Telephone Co. has completed a copper metallic line from Simcoe to Port Rowan, Ont., and has opened offices in connection with the line at Port Rowan, St. Williams, and Vittoria.

B. J. Thomson, of Portage la Prairie, Man., has been canvassing Dauphin, Man., with a view to establishing a telephone service, and proposes bidding for the franchise which the town is offering for sale.

At the annual meeting of the B. C. Telephones (Ltd.) at Huddersfield, Eng., Oct. 21, Dr. J. M. Lefevre, of Vancouver, B.C., and W. E. Wimpenny, of Huddersfield, were re-elected directors. Dr. Lefevre has been re-elected Chairman.

A local telephone system has been installed at Hillsboro, N.B., with nine instruments; and another line connecting the village with the Cape station, 11 miles, on which there are five instruments. These lines may be used separately or together, and a connection is also made with the system of the New Brunswick Telephone Co.

The Humber Power and Lighting Co. has entered into a contract with the Toronto Junction, Ont., town council, to place in operation a telephone service in the town. The contracts are to be yearly, the price to be \$6 a year and one cent a call until \$20 a year for private house instruments and \$40 a year for business houses, has been reached. The company promises to have the system in operation within a year.

The Canadian Telephone and Telegraph Co., which was incorporated under an act passed at the last session of the Dominion Parliament, has been organized with the following officers: President, C. Robinson, Scranton, Pa.; Vice-President, R. Bickerdike, M.P., Montreal; other directors: F. J. Stegmaier, Wilkesbarre, Pa.; W. F. McCreary, M.P., Winnipeg; G. Fowler, M.P., Sussex, N.B.; Treasurer, J. R. Mears, Scranton, Pa.; Secretary, J. T. C. Thompson, Ottawa; Manager, F. J. Leonard, New York. The offices of the Company will be at Ottawa. Application has been made for franchises for telephone services in Ottawa and London.

The Bell Telephone Co. expects to have the following long distance lines in Alberta completed this fall: Calgary to Edmonton, and Lethbridge to Cardston. The completion of these lines will enable a long distance service to be maintained between Calgary, Didsbury, Olds, Lacombe, Ponoka, Red Deer, Wetaskiwin, Strathcona and Edmonton, and between Lethbridge, Raymond, Stirling, Margrath, Spring Coulee and Cardston. Between Calgary and Edmonton the line follows the Calgary and Edmonton Ry., and between Lethbridge and Cardston it follows the route of the Canadian Northwest Irrigation Co.'s line and the St. Mary's River Ry.

The Bell Telephone Co. has this year added to its long distance lines in its Northwest department the following lines: Winnipeg to Morris, Morris to Morden, Rosebank to Carman, Rosebank to Miami, Morden to Killarney, Portage la Prairie to Carberry and Brandon to Souris. In connection with these lines offices have been opened at Austin, Bagot, Alexander, Souris, Roland, Rosebank, Miami, Carman, Darlingford, Manitou, La Rivière, Pilot Mound, Killarney, Crystal City and Cartwright, Man. It is proposed to add to these lines next year lines from Macgregor to Wawanesa and from Portage la Prairie to Gladstone, and probably other extensions will be decided upon later. The single copper line heretofore in operation between Portage la Prairie and Brandon, Man., has been converted into a metallic circuit.
