Vegetable Sicilian Hair Renewer

VGCIADIC SICILIAN HAIL MENEWEI Has stood the test of seven years before the public ; and no prepara-tion for the hair has yet been dis-beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and re-storative agents in the VECETABLE KINCDOM. It restores CRAY HAIR TO ITS ORICINAL YOUTHFUL GOLOR. It makes the scalp white and clean ; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutri-tive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DEESSING. It is the cheapest preparation ever offered to the pub-lic, as one bottle will accomplish incre and last longer than three bottes of any other preparation. The wonderful results produced by inder Sirving Hair Eenewer have induced many to manufacture pre-parations for the Hair, under va-induced many to manufacture pre-parations for the Hair, under va-induced many to manufacture pre-parations for the Hair, under va-induced many to manufacture pre-parations for the Hair, under va-induced many to manufacture pre-parations for the Hair, under va-induced many to manufacture pre-parations for the Hair, under va-induced many to manufacture pre-parations for the Hair, under va-induced the public to purchase their compounds, they have resorted to falsehood, by infus names; and, in order to in-duce the trade and the public to purchase their compounds, they have resorted to falsehood, by infus names; and, in order to in-duce the trade and their prepara-tion was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. Se that each bottle has our private Results and there are imitations.
