Adding or dropping a course? Here are the steps to follow.

Adding: You can add courses during the first two weeks of classes.
Here are the applicable dates:

First term courses	September 24, 1993
Full year courses	September 24, 1993
Second term courses	January 21, 1994

Proper forms are available in the Registrar's Office. You must have permission from the Faculty where the course is housed to register for the course.

Dropping: The University Senate approved changes to this process effective September, 1993. Students now have until the mid-point of any course to withdraw without academic penalty. You should have the necessary forms, available from the Registrar's Office, properly completed and signed by your Faculty *before the deadlines* to avoid having a grade of zero calculated in your grade point average (GPA):

First term courses	October 29, 1993
Full year courses	January 21, 1994
Second term courses	February 25, 1994

Courses dropped will now be recorded on your transcript.
