

DONALD TOUGH
Mississauga Jaycees pick Man of Year

Donald William Tough, 34 of 1473 Chriseden Dr., Port Credit was chosen last week by the Mississauga Jaycees as their Outstanding Young Man of the Year.

Mr. Tough, supervisor of operations of the University of Toronto Computer Centre, will now go on to the provincial competition sponsored by the Ontario Jaycees.

He was nominated by Rudy Bos because of "his ability to relate with young people" as part of his involvement with them as assistant district commissioner of the Boy Scouts of Canada, South Peel District.

Mr. Tough has been a member of the executive of the Park Royal Community Centre, the St. Brides Curling Club, the Skaters Association executive, and the South Peel Centennial Campsite Fund.

He was born in Toronto, is married, and has one son, Glen, who is five-years-old.

Chosen second by the Mississauga Jaycees for their award was Dr. Douglas Alan Kavelman, medical director for Miles Laboratories Ltd. Third was Father Patrick Kelly Walker, pastor of St. Dominic's Roman Catholic Church.

Plan hearing for Hwy. 122 name change

Hwy. 122 in Mississauga is to be renamed Royal Windsor Dr., pending the outcome of a hearing into the change which was called for by Mississauga town council, Wednesday.

In proposing council's sanction of the change, Councillor Lou Parsons said the Hwy. between Lakeshore Rd. and Winston Churchill Blvd. would be renamed by Mississauga, while Oakville town council has agreed to rename the highway similarly, on its stretch between Winston Churchill and the QEW.

"It's just coincidental that Windsor Salt happens to be there," Mr. Parsons said.

Bomb threat clears Douglas Aircraft plant

The building was cleared and supervisory personnel took it upon themselves to search through the building but did not find any bomb.
