# Jim Unger

Nothing much has changed for cartoonist Jim Unger since his first Christmas is Fun supplement appeared 12 months ago.

Aside from being selected as Cartoonist of the Year by the Ontario Weekly Newspaper Association and having public showings of his works at Central Library and Sheridan Mall "I've got six dollars less in the bank and my dog weighs in at 110 pounds" says The Times artist.

Unger, who is never far off the target when he impales a local issue, hasn't been losing touch with the community either.

"It's easy to lose touch, sitting at a drawing board. It gives me a tremendous lift to find out how many people look forward to the weekly cartoon. I met a lot of really nice people at the exhibitions."

He wishes everyone a Happy Christmas and a special thanks to the businessmen and merchants who sponsored the supplement.
