FROM A. R. MOSHER.  
Halifax, N.S.

November 22, 1909.

Dear Sir:

I am in receipt of your favor of the 18th instant with reference to our Canadian Law, the Industrial Disputes Investigation Act. Shall be pleased to answer your questions to the best of my ability.

- (1) The law as it stands is in my opinion a good one.
- (2) The only change which I could suggest, which would be of advantage, would be to widen its scope to all classes of employment.
- (3) This question is answered by the above. Any further information that I can give you will be cheerfully furnished. I might add that the limited experience that I have had with this Act, has been most satisfactory.

Yours truly,
