

their trades, ^{and} ~~which~~ the attention of boards of health
 the census department and industrial hygienists
 were all directed to it. It was in
 the State of Massachusetts that ~~the first~~
~~official~~ ^{official} ~~when~~ was first taken of the population
 although in that State it was reported by the
 Chief of the Bureau of Labour Statistics that ^{the} ~~the~~ ^{Sanitary}
^{System} had not at that time passed beyond the
 germinal stage, and had by no means reached
 the proportions acquired in New York and
 presented no comparison with the list as
 disclosed in East London 12. In 1887 In 1889
^{factory} inspectors had been appointed by the Governor,
 under a ch^r of the Legislature of that year, ^{by the}
^{in consequence of an appeal from the Clothing Operations National Union}
^{factory} ~~the~~ ^{the} Governor caused an investigation
 to be made by officers of the inspection department
