The Senate of Canada

1127

Dear Mrs. Foster:

I just received your letter of 21st. Yes, it is my intention to be West this summer and to have done whatever I can do to the MSS in the meantime. Another trouble now is that "the inscrutable Canadian" is in some measure at least back on the stage, and for all I know may be considered now quite scrutable.

One would think a good history of the Doukhobers would be interesting and worth the publisher's attention, because it seems to me it would sell.

Very sincerely yours,

Mrs. A. H. Foster,
312-990 Bute St.,
Vancouver, B. C.
