W. Wallace Lynd, Esq., K. C.,  
Estevan, Saskatchewan.

Dear Wallace,

Miss Patterson's application  
for passport was sent to the Passport Office  
promptly as soon as received by me.

The new regulation making it  
necessary for visitors to the United States  
to obtain passports has caused untold confusion  
in that office, and it has been practically  
impossible to get any action from them.  
However, the situation is easing a little  
now. Please be assured that I am making  
every possible effort to get this passport  
through at the earliest possible moment.

Yours sincerely,

*J. G. Diefenbaker*
