

It is unsatisfactory to have such forms prepared elsewhere than at Head Quarters, there being no way of determining whether the forms were drawn up to meet requirements, besides the expense of printing the same. It is not stated for what purpose the ration tickets are used.

No 1464. Full instructions were sent you as regards the allowance for rations to teamsters etc, and on no account can an allowance for board be made.

I am,

Sir,

Your obedient servant,
A. C. H. H. H.
