Ottawa, 28th July 1920.

Sir,-

Re Marble Mountain location

With reference to your letters of 23rd and 24th instant, I beg to inform you that there is no record in this Department of a right of way from the Marble location and river frontage on the Garden River having been sanctioned either for lease or patent and if your principals wish to take steps towards acquiring these, it will be necessary to have a survey made and a plan prepared on tracing linen by an Ontario Land Surveyor and filed with this Department showing the location and area required. When this has been received the Department will then be in a position to state on what conditions the lands may be acquired by lease or sale.

Your obedient servant,

Assistant Deputy and Secretary.

Registrar etc.,
