TELEGRAM

From THE HIGH COMMISSIONER FOR CANADA IN GREAT BRITAIN

To THE SECRETARY OF STATE FOR EXTERNAL AFFAIRS, CANADA

-2-

LONDON,
have been attempted or the danger of this contingency have become
less imminent;

(4) Remaining Infantry Brigade of the Second Division
to be despatched from Canada to the United Kingdom during the
latter half of September.

It will be noted that the above program visualizes the
concentration of the Second Division in the United Kingdom by
the first half of October. On the other hand, because of acute
shortage of machine gun battalions in United Kingdom, War Office
strongly express the hope that Canada will continue to furnish
one such unit for Iceland for an indefinite period and at any
rate throughout the coming winter.

It is safe to act on the above information pending the
receipt of official reply.
