

My dear Willie:

Dec. 31<sup>st</sup> '39

Had I I am keeping house  
alone at the close of the old year,  
John Tracy went to Van Etten with  
I coming here. I am glad, because they  
can come home any week-end, and  
it will not be possible for them to  
go to Tracy's home except on a holiday.  
Jean & Gordon have gone to Bellville  
& then on the week-end, and Tracy  
& Robert are in Toronto. Tracy goes to  
Toronto on Tuesday morning.  
In speaking to you over the phone, when  
you asked me what Gordon's profession  
was, I said "in free". Every man in the  
regular Air Force is a college graduate,  
and Gordon graduated in engineering, so  
I suppose he is an engineer; I like him  
better every time I see him. I hope you will  
be very happy. They want to be married  
on Feb. 10th if we can manage it, but we  
cannot really discuss it. His father  
has been too much to do anything.
