

## INTRODUCTORY

---

The Fredericton Board of Trade, in issuing this booklet, desires to present to capitalists, manufacturers and artisans, some of the resources and enviable advantages that the capital city of busy New Brunswick possesses. It is the conviction of the citizens of Fredericton that their city holds out a combination of advantages unexcelled in any town or city in Canada. Great development is being carried on at the present time and greater works are projected. In no instance are the advantages of Fredericton overdrawn, it being the policy of the Board of Trade and the citizens of Fredericton to give nothing but facts. New Brunswick has entered on a new era—one of unprecedented prosperity—and Fredericton is taking a prominent part in the boom. Correspondence is invited and more specific information will be gladly furnished on application.

Address,

PUBLICITY COMMISSIONER, Board of Trade,

Fredericton, New Brunswick, Canada.
