

Platinum and Diamond Finger Rings &c.

IF YOU appreciate superior workmanship and exclusive designs you will have no difficulty in choosing a ring from this selection which will suit your personal taste at the amount you wish to expend.

Most of the rings shown are representative of what we term our better medium-priced creations. The mountings in each case are all hand made and beautifully pierced in delicate lacework designs.

We are glad at all times to have you correspond with us on all matters pertaining to diamond jewellery, and where the usual references are forthcoming we will send assortments on approval. Illustrations are actual size.
