Ontario Riding Plow No. 3

"He who by the plow would thrive
Must at never walk but always drive."

BE UP-TO-DATE.....

Save MONEY, LABOR and TEAM by using the

Ontario Riding Plow

This plow has a lighter draft than any other plow doing the same work. Anything a plow should be asked to do it can do with less strain on team or ploughman.

It is the simplest plow made and can be run by any man, woman, boy or girl who knows how to manage a team.

We make single and double Riding Plows with mouldboards adapted for any soil and cutting any width of furrow.
