### THE MUTUAL'S WONDERFUL YEAR

"Nineteen-nineteen" will stand out for all time as a conspicuous landmark in the forward march of the Mutual of Canada. In amounts paid to Policyholders, in Assets, in new Assurances written, in Assurances in force—splendid increases were recorded. Nineteen-twenty bids fair to eclipse last year for the demand for Mutual Policies is insistent. "The reason why" is no mystery. Fifty years of just and generous dealing lie behind the immense demand for Mutual Protection. The Mutual has disbursed \$29,981,000. to beneficiaries and holds to guarantee future payments \$37,689,000.—In all \$67,668,000.—Either paid to or held for beneficiaries. All assets including surplus being exclusively the property of our Policyholders.
