Sarnia Corrugated Iron and Metal Sidings

Over two thousand farmers saved money by using Sarnia better building materials this season.

Let us send you the address of some one in your vicinity that has one of our roofs, so you can go and see how pleased they are with the material we furnished.

WHY LOW PRICES NOW

We have secured large contracts for war munitions, necessitating making room in our plant for more equipment, and our stocks of manufactured products have to be moved at once.

Write at once, telling what materials you contemplate using this fall, and we will submit our special prices by return mail,
