I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my iver and Stomach, which all the most eminent of the Faculty at home, and all over the Continent, had not been able to effect; pay! not even the watters of Carls, Bad and Barienbad. Mr. Mate, a storekeeper, of Gundaga, New South Wales, had been for some time in a most delicate state of health, his constitution was debilitated that his death was shortly looked upon by himself and friends as certain; but as a forlorn hope, he was induced to try Holloway's Pills, which had an immediate and surprising effect upon his system, and the result was to restore him in a few weeks to perhim the result was to restore that in he weeks to perfect health and strength, to the surprise of all who knew him. He considered his case so extraordinary that he, in gratitude, sent it out for publication to the Sydney Morning Herald, in which paper it appeared on the 2nd January, 1848. A 76w doses of the Pills will quickly rally the energies of both body and mind, when other medicines have failed.
