But how often, even while I speak, Conscience echoes back the warning wor Do I for myself these graces seek? Is my ceaseless prayer, ascending, heard?

In the very faults that I reprove, Angrily, perchance, with look severe, Mingling harsh rebuke with little love, e own errors, imaged forth, appear.

And if they the infant breast defile. Odious in their least confirmed degree, How much more the measure of their guile Shows matured and fully ripe in me!

Oh, I am unworthy to fulfil This exalted trust, to me assigned; Who am I to curb the rebel will? Who to re-illume the darkened mind?

Yet I may not lay this trust aside. Nor refuse these souls who claim my care Hurt myself, their wounds I must repair.

But how should it calm each angry thought, And lend meekness to parental sway, That, while these to me for stripes are brought, I deserve to suffer more than they! -HYMNS AND MEDITATIONS.

Parson Surely's Experiment. A SKETCH FOR WEATHER GRUMBLERS.

were nearly all farmers, and they did not have anything that could promise them any due re- call for rain. turn of good. In course of time it happened that the Rev. Abraham Surely visited Fallowdale, and as a Sabbath passed during his sojourn, he held a meeting in the small church. some of them proposed inviting him to remain with them, and take charge of their spiritual govern it.

a long discussion. Parson Surely had signified his willingness to take a permanent residence at Fallowdale, but the members of the parish could not so readily agree to hire him.

"I don't see the use of hiring a parson," said Mr. Sharp, an old farmer of the place. "He can do us no good. A parson can't learn me pastor.

PROSPECTUS Ot a New Semi-weekly Journal.

WITH the beginning of the year 1862, the undersigned purposes commencing the publication of a new Semi-Weekly newspaper, to be devoted to Politics, Literature, Agricultural, Com

mercial, and General Intelligence.

As to its political tone, the undersigned will only say to those who have been in the habit of reading the Aeadian Recorder, that the new journal The Edinburgh Review, (Whig.) will conform in its general tone to that which characterized the Recorder during the eight years—nearly—in which the latter was under his editorial management. In the management of the new journal he will, however; be more free to act accordance with his own ideas of editorial judiciousness. On this head, he will only say further, and for the information of the general public, that the substantial interests of the British Amethat the substantial interests of the British American Colonles, rather than the petty squabbles of local factions, in which the public welfare is not materially involved, will receive the most constant consideration and careful discussion; and that whilst, in what relates to disputes between rival political parties, it is not promised that neutrality will ever be the policy pursued, every effort will be made to maintain always an attitude of strict of the time shall have passed away. It is to these produced and impartiality: and that, whilst

bine instruction with amusement for both the town and country reader; to furnish the latest news, both foreign and domestic, down to the hour publication; to make the paper a reliable medium for commercial intelligence; and to render it worthy the commendation and support of the general

It is purposed to issue the paper every Wedner day and Saturday evening. It will be printed on a sheet somewhat larger than that of any of the tri-weekly papers published in Halifax; and will contain more reading matter per week than is now furnished by any journal published in Nova Scotia. furnished by any journal published in Nova Scotia. The subscription money will be fifteen shillings a year, if paid in advance, or within three months from the commencement of the year; twenty shillings, if not paid until after the expiration of three Subscribers' names may be forwarded to the

undersigned, at his office, Granville street, third Money current in the State where issued will be reundersigned, at ms onec, door south of Prince street. P. S. HAMILTON.

Weslevan Magazine for 1808,

HOLLOWAY'S PILLS Nervous Disorders What is more fearful than a breaking down of the nervous system? To be excitable or nervous in a small degree is most distressing, for where can ittle wine, beer, or spirits, or far better, none; take no coffee,—weak tea being preferable; get all the fresh air you can; take three or four Pills every night; eat plenty of solids, avoiding the use o,

lops; and if these golden rules are followed, you will be happy in mind and strong in body, and for get you have any nerves. Mothers and Daughters. If there is the thing more than another for which these Pills are so famous it is their purifying properties, especially their power of cleansing the blood The Universal Cough Remedy, without the slightfrom all impurities, and removing dangerous and suspended secretions. Universally adopted as the one grand remedy for female complaints, they never fail, never weaken the system, and always Throat and Lung Complaints, from that terror in

petite. out an equal.

The Tolu Anodyne, a certain Remedy for Neur-These feelings which so sadden us, most frequent arise from annoyances or trouble, from obstructed algia, Rheumatism Tooth-Ache, Ear-Ache, Bowe erspiration, or from eating and drinking what is complaints, St. Vitus Dance, Bleeding at the Lungs to that chief of all causes of Insanity and Depresese organs must be regulated if you wish to be ell. The Pills, it taken according to the printed

onsequence, a good appetite and a clear head. In he East and West Indies scarcely and other nedicine is ever used for these disorders. Disorders of the Kidneys

rial substitute, and assistant to the Toju Anodyne and Cough Remedy, when cases to which they are In all diseases affecting these organs, whether with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the ack at bed time. This treatment will give almos

ate relief when all other means have failed The Stomachs out of order. No medicine will so effectually improve he ton the stomach as these Pills; they remove all healthy action; they are wonderfully efficacious

Hollingan's Pills are the best remed known in the world for the following diseases: Liver Com-Dropsy, plaints, Billious Com-Erysipelas, Female Irregu-Lumbago, plaints, Blotches on Fevers of all skin. Retention of kinds, Rowel Com-Urine plaints, King's Evil Gout, onstipation of Head-ache Sore Throats, Stone and Grav Inflammation. Secondary Symptoms, onsumption. Jaundice.

Tic-Douloureux, Tamours, Ulcers, Venereal Affections, Worms of all kinds, Weakness from whatever cause, &c. &c CAUTION !- None are genuine unless the wo "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same Lay be plainly seen by holding the leaf to the light

A handsome reward will be given to any one r

ring such information as may lead to the detection any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious ** Sold at the Manufactory of Professor Holrespectable Druggists and Dealers in Medicine, throughout the civilized world, in boxes at about 25 cents, 62 cents and \$1 each.
There is considerable saving by taking the arger sizes
N. B.—Directions for the guidance of patients n every disorder are affixed to each box.
