## Sunshine Guild

Conducted by "MARIE"

201 Bon Accord Block, Winnipeg.  
(N.E. corner of Logan Ave. and Main St.)

### OBJECTS:

1. To scatter sunshine everywhere.
2. To feed and clothe some hungry child.
3. To gratify the wish of some invalid.
4. To found Sunshine Rest Homes for the working girls.

### SUNSHINE GUILD INCORPORATED

The Sunshine Guild, which has been working in Winnipeg during the past 18 months, with much success, has changed its title to the International Sunshine Guild of Canada, having affiliated with the British Sunshine Guild and the International Sunshine Guild. A declaration has been drawn up and signed by the trustees, setting forth the intention of the guild to become

a corporation under the provision of The Charitable Association Act. The objects of the association are purely charitable, including the establishment and maintenance of institutions for the care and education of children. The first five trustees of the new guild are William C. Coledge, Mesdames Biggs, E. S. Lilley, C. F. Nichols and K. D. Young.

### OTHERS

Forget the ache your own heart holds  
By easing others' pain;  
Forget your hungering for wealth  
By seeking other's gain,  
And make your life much briefer seem  
By brightening the years.  
For tears dry quicker in the eyes  
That look for others' tears.  
Heartache fades quickest from the heart  
That feels another's pain;  
The greed of wealth dies sooner if  
We seek another's gain.  
Life's sands run lightly if we fill  
With tenderness all the years.  
And tears dry quicker in the eyes  
That look for others' tears.

### WELCOME THIS PRAIRIE FLOWER

Dear Marie.—I am a little English girl. I would love to be a member of your club. I live on a farm two miles from Forrest. I am not very well; I have a cold. I have a big sister—her name is Dorothy. She is eighteen years old and I am ten. Mother has eight children, two boys and six girls. I am the smallest of the lot, and when I get older, I am going to college in Brandon. Mother has a lovely piano—it is a Bell piano—and she is a musician; and she is giving Dorothy and I music lessons, and we can play the piano fine. Mother is going to teach us the violin this summer. I hope you will put this in print; wishing your paper all success, from  
VIOLETTE SALES (Aged 10).  
Forrest, Man.

[Note:—Dear Child.—Hearty welcome to our Guild. Please write on one side of the paper only as this is a help to me. Will write and send membership card

"INASMUCH AS YE DO"  
Dear Marie.—I am sending some clothing most of them are for children. I know you will find use for them.  
I remain, respectfully,  
Kenlis, Sask. M. L.

**WHY NOT WIN A BADGE**  
Dear Children—Now that you are all at school and working hard, I feel sure that you could, at the play hour, talk over the Sunshine with your school friends and try to obtain the twenty-five members and win the nickel silver badge.

**A TERRIBLE TOOTHACHE**  
An elephant named Bombagig  
A dreadful toothache had,  
And as the tooth was very big.  
The pain was very bad.

In vain he stood upon his head  
To ease him from the pain;  
The keeper's heart with pity bled,  
He wrung his hands in vain.  
"Aha!" at length he cried with joy,  
"Tis time with me thou wentest;  
Let's waste no precious moments, boy,  
To seek the nearest dentist."

The dentist gave him laughing gas—  
An elephantine dose—  
And soon the mighty creature was  
Enwrapped in sweet repose.  
And then the dentist pulled in vain  
To start the monster tooth;  
It took the whole united strain  
Of three strong men forsooth!  
Then Bomby, when at length 'twas done  
Laughed loud, and said, moreover,  
"There's nothing that is half such fun  
As toothache—when it's over."

**FOR THE EMERGENCY FUND**  
Dear Marie:—We have been hearing about the poor little girls and boys you are trying to help. And we want to send our few cents to help you in your work.  
From your little friends,  
(Thirty cents enclosed).  
HAZEL & AILEEN DALE.  
Medora, Man.

**HOME BRANCHES HELP**  
I would like to give a full report of home branches, that help to tide over every worthy case when sickness, death or loss of position causes distress. Each aims to aid its applicants to become self-supporting and self-respecting. Its object is to pass on good cheer in word, thought and deed, thereby bringing happiness into the greatest number of lives and homes. Its work is philanthropic and strictly non-sectarian. Love for our fellow-men is the foundation of the good work done. Sunshine co-operates with all the leading movements for social betterments, when called upon.

**AN INVITATION**  
A hearty and cordial invitation is extended to all the members of the Grain Growers' Association, their wives and children, of Alberta, Saskatchewan and Manitoba, to come into Sunshine headquarters whenever they visit Winnipeg. I am looking forward with great delight to meeting all the loving hearts that helped me in scattering good cheer. It has been a mine of joy to me and I feel indeed a lucky person to have so many kind friends who are all anxious to scatter the sunshine each in his or her own small corner. It was so good to receive the five cents in stamps from wee Sunshiners, sent, as they said, "cheerfully." One baby boy sent a loving gift for our Sunshine (blind) boy. How glorious shall be our harvest when our league of kindness has thrown its loving free masonry over all.

**THE SUNSHINE PRAYER**  
May we be so directed in all our doings, that in all our works, begun and ended in a Spirit of Sunshine, we will be able to incite one another to kind and helpful deeds, and thus bring the Sunshine of Happiness into the greatest number of HEARTS and HOMES.

**RIDDLE ME THESE**  
Dear Sunshine chicks.—Can you solve these riddles?  
Why is it useless to send a bird a bushel of oats?  
Why are pen, ink and paper like the fixed stars?  
Why is the letter "E" the most important and grandest of the alphabet?
