

A Message from the Governor

Message from the

Governor

' The Officers of Government having voluntarily proposed a Reduction of their Salaries for the current Year, commencing the 1st of July, that a more ample Supply may be provided towards discharging the Public Debt, and for paying the Interest; the Governor has therefore formed a new Estimate, in consequence of which he requires, that the House of Assembly will concur in such Measures as shall empower him to grant Warrants bearing Interest, for discharging the Expences of Government due to the 1st Instant, and also Warrants for paying what shall become due to the 1st of January next, agreeable to the Proposal already laid before the House.'
