DALE'S BANK DEPOSITORS IN A CHEERFUL MOOD

Big Meeting of Creditors of Late Financial Institution at Madoc Yesterday—To Receive a Much Larger Dividend Than Anticipated—Lawyers Casella Handled the Situation

(Staff Correspondent of Ontario)

Madoc, May 15, 1914. This village witnessed a meeting of the J. C. Dale & Company private bank situation which has been agitating the minds of the residents and those of the surrounding country.

A meeting of the creditors was held in the Masonic hall, opening at ten o'clock this morning. The hall was completely filled and many were compelled to stand. The shareholders were present with their solicitor, Mr. Hamilton Cassels, K.C., Toronto.

The Canadian Bank of Commerce consented to take over the assets of the defunct private institution and to agree to make a payment to the depositors of 25c on \$1 on July 1, a further payment of 25c on the dollar on January 1st, 1915, and a final payment of 25c within a period of not more than three years.

All depositors having less than \$100 on deposit will be paid in full. A motion approving of this offer was put and carried unanimously.

The following advisory committee was appointed by the depositors: James Gill, Reilly, James Wright, Malcolm Briscoe, John Nickle, S. S. Wallace, T. M. Nickle.

The meeting adjourned at noon and attorneys of the various interests are meeting this afternoon and drawing up an agreement.

All along it has been stated that the best of feeling exists between the unfortunate shareholders of Dale's bank and the community.

Madoc, May 16th, 1914. Madoc village yesterday bore the appearance of a big annual fair, or when it essays to hold one of those old-time "monster demonstrations."

The Masonic hall was the rendezvous for all comers and before the opening hour, which was set for ten o'clock, there were no vacant seats in the auditorium.

Mr. Hamilton Cassels, K.C. was asked to come forward and present a statement of the proposals for an adjustment on behalf of the shareholders.

JOURNALIST KNIGHT BEFORE CANADIAN CLUB

Sir John S. Willison Gave Political Reminiscences—Election of Officers.

From Saturday's Daily

Sir John Willison, the most distinguished of Canadian journalists, was last night the guest of honor at the final meeting for the season of the Canadian Club.

It was the duty of every honest man to do his best to pay his debts. He knew what it meant to try to force unwilling payment.

He considered that it would be a calamity if the meeting broke up and left affairs to go through a process of litigation lasting perhaps five or six years.

TUMOR IN THE STOMACH

Completely Removed When She Took "Fruit-a-lives"

Newbury, Ont., April 4th, 1913.

"Some years ago, I was sick in bed, and thought I was going to die. I had a growth in my stomach, which the doctors said was a tumor and they said that the only thing to do was to go to the hospital and have the tumor cut out. I dreaded an operation although both doctors said it was the only cure. I said I would die before being operated on.

At this time, my mother in Alvinston sent me some "Fruit-a-lives" and induced me to try them as she had heard of another woman who had been cured of a similar growth in the stomach by taking "Fruit-a-lives."

To please my mother, I began to take "Fruit-a-lives" with the happy result that they cured me. I have not been to see a doctor since and my health is first class.

I recommend "Fruit-a-lives" every time I get a chance and I am glad to have you publish this letter as some other woman may now be a sufferer from the same trouble and "Fruit-a-lives" will cure her. MRS. A. McDONALD.

Box 6, for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

Mr. Fitch had to go west before Port Arthur today and will not return until the end of next week. He will at once come down and look over the situation.

The C.N.R. will take up the matter with the C.P.R. Belleville in Messrs. Butler and Holgate has two of the greatest auto-cars in the city.

The council has secured these men to report on the situation and express to the railways their views which coincide with the wants of the people as to the overhead crossings and subway.

Mr. E. Gus Porter, K.C., M.P., has given much assistance to the engineers and the Mayor and Council in the matter.

RUMORS ABOUT TWO SKELETONS

Discovery of Bones Starts Talk About a Mystery.

If the report which was current on the streets today had proven true, a George St. lot has been the custodian of a death secret for many a score of years. A "spook" tale emanated from a lot in which an excavation was being made yesterday afternoon for a foundation. The excavator came upon a pile of bricks in the sand and horrors! a heap of bones!

That was enough. A "spook" secret had been discovered. A dark rumour without too close an investigation set out.

This morning she told the yarn with amplifications. Two complete skeletons as perfect as sand could leave them and masoned in by a solid brick wall! Mystery!

In the light of day the place does not look ghostly. The fact appears to be that the bones might have been taken from the "solid" wall was brick, which had evidently been dumped to fill up a hole or hole.

Hotel Inspector in Town Inspector Snider, Inspector of Hotels for the Province of Ontario, is in the city today on matters in connection with the Liquor License Department. He visited the various hotels and made inspection of the buildings and equipment.
