# ROSSLAND WEEKLY MINER.

Two Dollars a Year.

ROSSLAND, B. C., THURSDAY, MARCH 31, 1898.

Fourth Year, Number 3

# OUR WORKING MINES

Heavy Purchases of Big Properties During the Past Week.

Progress Made on the Various Mines the B. A. C. Company Will Soon Be Inaugurated-Other Notes.

Big mining deals were a matter of common occurrence the past week, and were inaugurated by the War Eagle company acquiring a control of the Monita, on the basis of \$100,000. It is probable that this property will be worked by the Monita company, as independent of the War Eagle. This purchase was followed by the acquisition of John R. Cook's interest in the Pilgrim, which lies between the Monita and War Eagle, and options for the remaining the condition of the work. interests will undoubtedly be taken up. Still another sale was the Pearl and Ruby fractions, south of the Le Roi, for which a sum between \$15,000 and \$20,-

000 was paid by an English syndicate. Mr. Carlyle, of the B. A. C., is expected in Rossland within a week, when tunnel the past week. extensive operations on the B. A. C. property will be inaugurated.

Shipments during the past week were SCHOOL OF MINES SCHEM increased by 700 tons. The Le Roi shipped 1,240 tons, the Iron Mask 320, and the War Eagle 640. The latter Plan Perfected for Advancement in shipment was to the Nelson smelter, and was for fluxing purposes. This made a total shipment for the week of 2,250 tons.

The Deer Park. At the Deer Park work continues on the drift in the 150-foot level, where the big strike of two weeks ago was maee. Preparations are being made for the formation of a School of Mines in Ross- the continent, and judging from what shipment of a few carloads, more for a land was held last evening in C. O.
