KENTVILLE, AUG. 15, 1916.

**H. G. HARRIS**

Editor and Publisher

There is a place for you in the new Reserve Battalion of the Nova Scotia Highland Brigade. "On the road to Tipperary there's a place that's vacant still.

There's a rifle lying idle, there's a uniform to be sure, at home they'll hate to lose you, but the march will soon begin.

On the road to Tipperary with the Army to Berlin.

On the road from Tipperary, when the boys come home at last.

You will wish that you had heeded ere Old Britain's call had past—

But THE GATE OF MANHOOD'S OPEN, you your task may yet begin.

On the road to Tipperary with the Army to Berlin."

**Provincial Medical Board**

At a meeting of the Provincial Medical Board last week Dr. N. E. McKay, chairman of the Halifax City Health Board, was elected president in succession to Dr. Stewart now overseas and Dr. McKay and Dr. Moore of Kentville were appointed representatives on the Dominion Medical Council of Canada, which meets at Ottawa from time to time.

A resolution was adopted to have German eliminated from the list of subjects for medical examinations in the Province.

**PURPLE FEATHER CLUB FORMED**

**Patriotic Organization Instituted to Provide Funds for 219th Band and Other Needs**

Some one slipped the fact to friends in Halifax, a great many of whose sons and comrades are in the 219th Battalion, that "the lads who wear the Purple Feather" have no band to lead them—no music to put spirit in them when mounting guards, or engaged in a march past, and so on.

Moreover these same friends who think the 219th Battalion ought to have a Band, also believe that these Nova Scotia warriors should have a fund for other necessities and comforts which are not supplied by military regulations.

And so there came into existence the Purple Feather Club, a central organization at Halifax, with Branch Clubs in all other Nova Scotia centres where Purple Feather lads were recruited or enlisted. Their purpose is to have monies collected for funds to be used in supporting a 219th Battalion Band, and supplying necessities and comforts, and paying for meeting exigencies that may occur.

The funds collected are to be placed in the hands of trustees and administered by them. If the battalion, by the fortunes of war, should go out of existence, the funds belong to the Purple Feather Club to be used as it thinks best for any other patriotic purpose.

Following is the roster of management and agents:  
 Honorary President: Mrs. David MacKeen.  
 President: Mrs. Geoffrey Morrow.  
 Secretary: Mr. J. K. Kellaher, Manager the Morning Chronicle.  
 Treasurer: Mr. D. McGillivray, Manager Canadian Bank of Commerce.  
 Trustees: Dr. John Forrest, late President Dalhousie; Mr. Corbett.

**British Hurl Germans From a Mile of Trenches**

**Aeroplanes Do Great Damage**

LONDON, Aug. 13—An important advance on the Somme front northeast of Pozieres was announced today by the War Office. The British pushed forward their lines 300 or 400 yards over a front of nearly a mile.

LONDON, Aug. 14—The repulse of a German attack southeast of Guillemont is reported in an official statement issued tonight by the War Office. The text of the statement follows:

Southeast of Guillemont the enemy last night made an attack with bombs which we repulsed. On our right flank, except for some fairly heavy shelling of our front trenches and minor encounters with hostile detachments near Delville wood, there was no event of importance.

Yesterday our flying corps carried out a long distance raid and did great damage to some railway works and sidings. Several short raids and reconnaissances were undertaken with good results. Hostile aircraft, although fairly active, avoided combat. We drove down an enemy machine and one of ours is missing."

**Woman Murdered by Husband in Digby Co.**

DIGBY, August 13—Digby has another murder case. From the evidence brought out at the coroner's inquest it appears that Charles Robart, colored, a fireman on the steamer Prince George, running between Boston and Yarmouth, came up on yesterday's Bluenose, hired an auto, and was driven to the home of Luke Frances, at Westville, a village near Digby, where his wife, also colored, had been staying since Wednesday. Without any warning, it is alleged, he drew a 38 calibre revolver and shot her through the shoulder, killing her almost instantly. He then came out to the road and returned to Digby in the same auto.

At the Post Office he gave himself up to Chief of Police Peck, at the same time handing him the revolver. He said: "She has fooled me long enough, broke up my home, sold my stuff, and I made up my mind she would never do it again. I have fixed her, I think, and I am willing to take the consequences."
