COURT HOUSE, ANTIGONISH,

SATURDAY, April 6th.

Sir Chas. H. Tupper. Joseph A. Chisholm.

BY ORDER OF THE COMMITTEE.

Have you ever stopped to think how perfectly needless it is that one out of a hundred of those who now die in early life as a result of Lung trouble, should do so? If, when first threatened with weak so? If, when first threatened with weak flungs, a few bottles of Pytysen's Payers.

The contributions of Pytysen's East, and the Physical Physical Time and Propriosynthes to Line and Minds. However, was not all contributed using the past year.

The Shall Propriet Time the Physical East Propriet was not all contributed using the past year.

The Shall Propriet was not all contributed using the past year.

The Shall Propriet was not all contributed using the past year.

The Shall Propriet was not all contributed using the past year.

The Shall Propriet was not all contributed using the past year.

The Physical Propriet was not all contributions of Payers and Physical Physical Propriet was not all contributions of Payers and Physical P
