The Color Violet.
It is said that of all colors violet is
the one most stimulating to the eye
and that the electric light, and
more especially that given out by the
large lamps used in many public places,
is rich in violet rays. It is claimed
violet dresses and draperies are respon-
sible for many eye "cases" and for not a
few of the skin troubles about which
the dermatologist is frequently con-
sulted.

CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY.

The uniform success of this remedy
has made it the most popular prepa-
ration in use for bowel complaints.
It is everywhere recognized as the one
remedy that can always be depended
upon and that is pleasant to take.
It is especially valuable for summer
diarrhoea in children and is undoubt-
edly the means of saving the lives of
a great many children each year.
For sale by All Druggists.

Getting a Library.

Student—How would you advise me
to go about collecting a library? Pro-
fessor—Well, I'll tell you how I man-
aged it. When I was young I bought
books and lent them. Now I borrow
books and keep them.

When the flood came Noah had to
live in the ark. There was no food or
anything else. What did he live on?
Water.

All Druggists will refund your
money if you are not satisfied after
using Chamberlain's Colic, Cholera
and Diarrhoea Remedy. It is every-
where admitted to be the most suc-
cessful remedy in use for bowel com-
plaints and the only one that never
fails. It is pleasant, safe and reli-
able.

Snow Pudding.

Any one who is in the habit of mak-
ing snow pudding will find preserved
pineapple a great addition to it. When
the snow is ready pour it into the mold
until you have a good foundation, add
your pineapple and then the rest of the
snow. When it is cold serve, as usual,
with soft custard.

THE MAN WHO WORKS HARD.

Persistence and will-power he
must have, but whether he has vigor
and strength is another consideration.
Hard working men usually have ir-
ritable nerves and should fortify
their systems with a course of Fer-
rozene, a tonic that rebuilds and re-
vitalizes beyond all telling. It's just
what the strength that Ferrozene im-
parts to broken-down men. It forms
new blood, supplies the system with
abundant nourishment, and where
formerly there was tiredness and
lassitude Ferrozene establishes a
reserve of energy and vim. Try Fer-
rozene, price 50c. per box.

Usually.

It is usually the young woman who
wouldn't have the best man in the
world who snubs at the first offer, and
the man who is the most cynical about
matrimony is pretty sure to propose to
the first woman who gives him an op-
portunity.

SMELLING AND SNEEZING COLDS

Can be stepped in a few minutes
and permanently cured in one hour
by inhaling fragrant, healing Cat-
tarhazone. No remedy compares
with Catarrhazone for cold in the
head and nasal catarrh. It soothes
and heals the inflamed mucous mem-
branes, prevents sneezing and cough-
ing, clears away the "stuffed up"
feeling in the forehead. If you have
not used Catarrhazone get it to-day
and try it on your next cold. You'll be
surprised at the efficiency of the de-
lightful inhaler treatment which
pleases everyone because it cures so
quickly. Complete outfit \$1.00; trial
size 25c.

An Old Clock.

The clock placed in the hall of the
Holborn (England) borough council is
at least 250 years old and has been in
the possession of the local authorities
for that period. It still keeps good
time.

MANITOULIN CAN DO HER PART

Show the Good Work Dodd's
Kidney Pills are Doing.

Mrs. Thomas Rumley one of the many
Who Found Health in the Great
Canadian Kidney Remedy.

Silver Water, Manitoulin Island,
July 18.—(Special).—Every part of
Canada seems to be testifying to the
good work Dodd's Kidney Pills are
doing and there is no reason why
Manitoulin Island should not do her
part. Many a man and woman here
blesses them for aches relieved and
health restored. Take for instance
the case of Mrs. Thomas Rumley.
She says:

"I doctored for years and did not
seem to get any better. It seemed
to be my kidneys that was the trouble
so I thought I would try Dodd's
Kidney Pills and they helped me very
much."

"I cannot say how many I have
taken for my kidneys is never without
them and whenever I don't feel right
I take a few. My husband also takes
them once in a while. I find them
a splendid medicine to have handy."
Dodd's Kidney Pills are the great-
est family medicine of the age. They
can be taken by young or old with
perfect safety. They cure all kidney
ailments and nine-tenths of the sick-
ness of the present day springs from
bad kidneys.

The Old Sulphur Matches.
The first sulphur matches, now up-
ward of a century old, appear very
awkward according to our modern
ideas of convenience. They were known
as "spunks" and varied in length from
five to seven inches. These were gen-
erally packed in bundles of a dozen tied
together with bits of straw.

RACKING PAIN IN THE JOINTS.
Also every form of rheumatism,
neuritis and sciatica are best cured
by Nerviline, the quickest relief for
muscular pain yet discovered. It's
because Nerviline strikes in and pen-
etrates right to the core of the pain
that it gives such unbounded satis-
faction. "It ought to be in my shoe-
holders while driving and suffered great
pain," writes G. E. Dempsey, of Ber-
lin. I used Nerviline freely and was
soon quite well. I have found Nerviline
an excellent remedy for rheuma-
tism and neuritis as well as for cold
on the chest. I recommend Nerviline
highly and wouldn't be without it."
Price 25c.

All's well that ends well, if you be-
gin right.
