The Correct Thing in New Fall Millinery!

What's the correct thing in New Fall Millinery? That's been the question—We are prepared to supply Dame Fashion's fickle whims, no matter what the final edict would be.

French blocked shapes, in felt or velvet, and felt and velvet combined, but then there are such a diversity of shapes, tilts and trimming, that no two look exactly alike.

A little bend of the brim—A high or low bandeau—A tilt of the back, a feather here, a wing, quill, or flowers, and you have an exclusive creation, that you may not see again this season. In fact, hats are shaped to fit the face, the way they look the best on the wearer, and its a good idea too.

The new French Blocked Hats, come in all shapes from the simplest, to the most gorgeous Picture Hat. PRICES—REASONABLE.

This Store Appeals to Men of Discriminate Taste

In the matter of Clothing and Men's Furnishings, we are equipped on the order of the exclusive shop or clothing store in so far as quality, style and variety.

In price the Austin & Co. Store is vastly different.

For instance! This week we offer a fine quality of CRAVENETTE RAINCOAT, widely known as a most excellent value at \$12.00 to \$15.00, while the price for this sale is

...\$10.00 Only...

One of the constantly appearing opportunities in men's apparel.

One Hundred October Coats for Men.

Genuine Cravenette Coats at \$10.00

We don't ask one to believe a word of this argument simply because we say it's so. We put the burden of the proof on the coats. We're simply going to tell you the facts about these Raincoat Coats and then let you be the judge as to whether its an opportunity worth considering.

We're showing them in Plain Oxford, Olive Mixtures and Novelty Patterns. They're popularly called October Coats because they're needed when it's too warm for an overcoat and too cool for none at all, and then the weather's so uncertain, likely to rain any day, and they're absolutely rainproof. They look like those long swell \$25.00 Overcoats, and have that snap and swing of the tailor made garments, broad shoulders, close fitting collar, and all the rest of the smart style attributes. So we unhesitatingly say \$12.00, \$13.50 and \$15.00 Raincoats at \$10.00.
