LOWER ECONOMY, JUNE 25th, 1890. Mr J. B. Morton, Bridgetown, N. S.:

Dear Sir,—I hereby certify the F was troubled with Chronic Diarr hea for five years, which was brought on by liver and stomach trouble. During that time I had treatment from five doctors and a month's medicine from Pierce's Institution, Buffalo, all of which did me little or no good. Last Nevember I commenced taking Dr Norton's Dock Blood Punifier, at which time I was unable to work and all of my food went to water, dare not eat any meat of any kind and had given up to die. I only used two butles of the medicine and am now well and strong, and would highly recommend it to all who are affected as I was.
