CANNING HIGH SCHOOL DEFEATS WOLFVILLE

Canning defeated Wolfville in the fourth game of the Valley High School Hockey League, in Canning rink on Fidday afternoon, by a score of 5-3. The game was clean, fast, and of more than ordinary pleasure, and witnessed by about 200 enthusiastic followers of both teams. Regret was felt that Williams, Wolfville's Wing, received a bad injury above the eye by a hit from the puck, and that Prescott received further injury to a wound received in a former game. The score in the last half of the third period was a tic, till near the end, when Canning speeded up, and drove home the winning tallies. Bennett, Covert, Cohen, Payzant starred for Canning, Prescott, Johnson, and McKenna, starring for Wolfville. McKenna, goal tender, made several sensational stops.

The line up was as follows:

Canning—Goal, Smith; Defence, DeWolfe, Payzant; Forwards, Covert, Faton, Cohen; Subs., Bennett, Bigelow, Harris.

Wolfville—Goal, McKenna; defence.

Eaton, Chen; Subs., Bennett, Bigelow, Harris.
Wolfville-Goal, McKenna; defence, Johnson, Phinney; forwards, Regan, Prescott, Williams; Subs., Eaton, Shaw,

Canning deleated Centreville in the Canning rink on Thursday night of last week by a 7 to 2 score, in the sixth game in the Valley Intermediate Hockey League. The game was fast anclean and was witnessed by a large crowd Hoyt. Lyons and T. Huston starred for Canning, witil: Webb, Burns and Newcombe were the pick of the losers. The winners played great combination throughout the three periods. The Canning band was in attendance and rendered several selections. Charles Wigmore, of Kentville, refereed.

Here and There

Navigation of the St. Lawrence river is expected to open early in the month of April. According to pre-liminary schedules issued by the va-rious steamship companies operating between Canadian Atlantic ports and Europe, 192 ships will visit the port of Quebec in 1924.

The Canadian Pacific Railway has inaugurated as a special feature the serving of afternoon tea regularly on all dining, cafe and buffet cars throughout the system. The tasteful little menu which the company provides includes tea, coffee, chocolats, toast, muffins, cake, ice cream and preserves at reasonable prices.

The Spiller Company, a great British concern with \$150,000,000 capital, has completed arrangements for the establishment of facilities in Canada which will entail an outlay of \$6,000,000 to finish the plant of the Alberta Flour Mills in Calgary, with another \$2,000,000 to build an slevator at Yastouver.

The second of the two large paper machines recently installed by the Belgo-Canadian Paper Company at Shawinigan Falls, Que., has commenced operations. The machine, which is the product of the Dominien Engineering Company, is more producing newsprint. It will be tuned up and is expected to produce a commercial grade of newsprint at or above its daily capacity of 75 tons in the near future,

Speaking at Toronto recently, E. W. Beatty, President of the Canadian Pacific Railway, declared that "what Canada is suffering from is lack of men, lack of capital and lack of those forward policies which will enable the sountry to realize within a reasonable time its own manifest destiny." He added that he did not believe in "exaggerated whisperings or in any statements which are calculated to destroy the belief of Canadians in their own country."

Captain S. Robinson, C.B.E., R.N.R., commanding the Canadian Pacific liner "Empress of Canada," was invested with the C.B.E. by Sir Harry Armstrong, British Consulgeneral at New York, when his ship arrived there on January 25th, prior to setting out on her great world cruise. Captain Robinson also received the freedom of the city of New York. These honors were in recognition of his gallant work when commanding the Canadian Pacific liner "Empress of Australia" at Yokohama, at the time of the Japanesse disaster.

Wolfville—Goal, McKenna; defence, Johnson, Phinney; forwards, Regan, Prescott, Williams; Subs., Eaton, Shaw, Vaughan.

Bertram Blenkhorn made a fine referee. The Woifville High School pupils made this the occasion of their annual sleigh drive more than fifty young people attending, and at the close of the game enjoying a skate. They later ple attending, and at the close of the game enjoying a skate. They later had supper at Woods restaurant, which is fast becoming popular for after rink suppers. Principal B. C. Silver and Mr. Stackhouse accompanied the students. We hope soon again to see our Wolfville friends in Canning.

CANNING TEAM WON FROM CENTREVILLE

Canning defeated Centreville in the Canning rink on Thursday night of last week by a 7 to 2 score, in the sixth game in the Valley Intermediate Hocket Learn The generations for the Danes on Alfred's England was as nothing compared that with which the delighted Scandinavian gentlemen emptied that waiting-room. So excellent did they find the beer that they did not show up again till train-time, when they amounced unanimously, though when they are controlled to the controlled the controlled

with slight difficulty, that "Canada bane one fine country."

To be stranded in a strange city with no worldly assets but a suit of dress-clothes and yet to come out of the adventure victorious is to achieve something. Joe and Bill arrived in Montreal a few nights ago, their haggage consisting of the clothes they wore, two dress suits, an adequate quantity of the needful and an enthusiastic determination to see Life with a capital L. When they woke on the morning after, they found that someone had relieved them of everything they possessed except the dress suits they had slept in, and which they had worn for the previous night's affray.

In this predicament they appealed to the authorities at the Canadian Pacific Windsor Station, for work whereby to carn enough to take hem out of the wicked city. Sympathetic officials put them on the snow-shovelling garg. And here these two stout fellows, in their dress suits. Joe with his feet wrapped in sacking to keep them warm, labored heartily for four days, earning the price of their teletis back to the little old honce twan. So once more listical and they have a re-

CANNING GIRL GUIDES

CANNING GIRL GUIDES

The Girl Guides under Captain Bigelow held a delightful sleigh drive on Saturday afternoon owing to the kindness of Mr. C. H. Meek, who drove the party to Centreville, where twenty-two young people enjoyed an afternoon of great pleasure. The ice was in fine condition, and the Girls with their Captain are very enthusiastic over the kindness of their Centreville friends, particularly Mr. Perry Wheaton, and Mr. Harry Balsor, who invited the party to remain for supper, and skate in the evening, which they regretted being unable to do. The afternoon will long remain a pleasure in the minds of the Guides, who are very grateful to Mr. Meek and those who contributed to their entertainment. The Guides are doing splendid work under the direction of Captain Bigelow and Lieutenant Melvin. At their meeting on Friday, Mr. Gerald Huston again instructed them in Military Drill, a kindness much appreciated. The basket ball equipment has arrived, and the girls are looking forward to entering the league with Wolfville. The Tender Foot and Second class work have been completed.

DEATH OF MRS. MILLEDGE DE-

The community learned with sorrow of the death of Mrs. Milledge DeWitt, which occurred at her home in Medford, after an illness of several months, aged fifty-five years. The late Mrs. DeWitt was the daughter of the late

The Telephone Can Make Your Salesmen's Time Productive

Your profits to an appreciable extent depend upon whether your salesmen's time is spent wisely or- other-

Every second of it ought to be productive.

Where then lies the wisdom of sending them off on long railway journeys in which necessarily a large part of their time is unproductive?

Isn't it a better plan to keep them in your office and put them to interviewing customers and prospects by means of the Long Distance Telephone?

By Telephone they can talk with many more people in a given time then by the obsolescent personal visit plan -just as effectively and at far less cost.

Then, when not actually Telephoning, they are available for other productive ork.
