BIJOU THEATRE.

Billy Reeves, the great English music hall comedian who is now causing America to enjoy many hearty laughs, will be seen today in one of his rollicking comedies "A Day on the Force." The way he gets on the police force, his experience on it, and his removal from same make lots of good clean comedy. Helen Holmes, ever popular from her daring deeds will appear in one of her latest releases, "The Midnight Limited." She has an exciting time with a couple of yeggmen, but comes out best. A two-reel feature and a comedy completes today's program.
