-Both the banks at Nelson, B. C., are discounting American paper money at five per cent. The reasons given are that there is so much Ameri-

and that there is little demand for drafts on points in the United States. American silver is taken at par, as heretofore.

In Georgia female covicts are hired out to work on the plantations as men are. The State's lease price for a convict, \$12,28 a year, is the same for a woman as for a man. On Capt. Maddox's plantation of 6,000 acres a large part of the working force is composed of female convicts, the men being in separate camps. They go to work at sunset. Each woman has her mule, and they take great pride in keeping them in good condition. They are not shackled, but there is a guard for every ten women. These guards carry pistels, while those for the male convicts carry. women. These guards carry pistels, while those for the male convicts carry
