Preliminary Derby proved to be one of the best races of the day, and was won by Harry Payne Whitney's cast-off, Angelus, which is at present owned by Burlew & O'Neill In the betting on the race, E. T. Shipp and Angelus were equal choices at post time, both being held at 16 to 5 in the betting. Angelus found the going just to his liking, and, breaking in third place, managed to race to the front in the first quarter, and although hard pressed at the finish, managed to win by a head on the post. Miss Delayen, from the stable of Dick Watkins, which was practically left at the post, was second, a length in front of Barridge.

Negotiations are still on for the transferof Barney Schreiber's sprinter Jack Atkin to Ryan & Gorman. The Schreiber price is around \$15,000 and the difference some \$3,000. It is stated that Gorman and Ryan, who are turf partners, believe that they can take Jack Atkin to England, start him in a selling race, "bet a million," and clean up. But if they should attempt such a coup, at the same time announcing their plans from the housetops, the chañces are the English bookmakers would have something to say about the price and the amount of money to be accepted.

Ryan is a veteran turf operator, but Gorman is a newcomer. He was once a telegraph operator, who finally got into the bucket shop game and made a fortune. He never knew what a race track looked like until last summer, when Ryan introduced him. Then under Ryan's coaching Gorman won a lot of big bets at Latonia and hought Miss Sair on

Los Angeles, Cal., Dec. 22.—W. D. Millard finally turned from claiming horses and took a hand at the running-up game. He tilted Clamor, the winner of the sixth race, from \$800 to \$1,400, but owner Keene retained him with the customary \$5 advance. The incident marks the first attempt to bid up a horse since the meeting opened, and from present indications it seems probable there will be some merry clashes in this line next week. Secretary E. C. Smith was at his best to-day, presenting a splendid card, and the reward was a large attendance. The feature was a free handicap for three-year-olds and over, which was won easily by Frank Flittner, the most concistent horse here.
